

Pablo González-Puelles
Investment Manager

Pablo González-Puelles is a member of the Telefónica Ventures Team. Prior to joining Telefónica Innovation Ventures in 2019, Pablo served as Fund Manager in the investment team of Welzia Asset Management for three years, where he executed quantitative modelling strategies in both equity and debt funds. Earlier on, Pablo worked in Fever, a social event discovery startup based in Madrid. In 2015, he developed from idea to launch La huella del dandi, an online fashion brand. Pablo holds a Business Administration degree from Universidad Pontificia Comillas (ICADE) in Madrid. He has also been designated as CMT and has passed first level of CFA certification.
