SPANISH NATIONAL SECURITIES MARKET COMMISSION

- MADRID-

“**TELEFÓNICA, S.A.**”, in accordance with that stated in article 82 of the Spanish Stock Market Law (*Ley del Mercado de Valores*) hereby informs of the following:

SIGNIFICANT EVENT

The Board of Directors of the Company in its meeting held today has adopted the following resolutions:

First.- The inclusion of a new modification to the Company’s By-laws to submit to the next Annual General Shareholders’ Meeting, comprising the addition of a new section 4 to Article 35 of the Company’s By-laws, enabling the payment in kind of dividends and repayment in kind of the issue premium or of contributions in the event of a capital reduction.

Second.- The submission for approval by the Annual General Shareholders’ Meeting of a new proposed resolution for the extraordinary payment of issue premium in cash and in kind. In this proposal there will be subsumed the proposal on the distribution of dividends with a charge to reserves approved by the Board of Directors on February 26th, 2003.

The proposed resolution consists of:

(a) Firstly, the distribution from the reserves of Additional paid-in capital (“*Reserva de Prima por Emisión de Acciones*”) of a payment for each and every share of the Company in circulation of 0.25 euro per share. This payment shall take place in two stages: first, 0.13 euro per share payable on July 3rd, 2003 and second, 0.12 per share payable on October 15th, 2003.

(b) Secondly, the distribution from the reserves of Additional paid-in capital to shareholders in Telefónica, S.A. of stock representing 30% of the share capital in “Antena 3 de Televisión, S.A.” (Antena 3), currently represented by 50,000,400 shares with a carrying value on the company’s books of 420,003,360 euro.

The exchange ratio shall be determined by dividing the number of Antena 3 shares to be distributed by the number of shares in Telefónica, S.A. eligible to participate in

this distribution, subject to changes that may take place in accordance with possible share splits of Antena 3 equity.

Implementation of this resolution is subject to the condition precedent that Spanish National Securities Commission (*Comisión Nacional del Mercado de Valores*) validates the admission to trading of the shares in Antena 3 before November 29th, 2003.

The block of shares in Antena 3 intended for distribution may be reduced by up to 5% of the share capital of Antena 3 if this is necessary to enable the public offer of shares in Antena 3 to take place in the best conditions possible.

The definitive amount of this distribution in kind of the issue premium and the final percentage of shares in Antena 3 to be distributed to shareholders in Telefónica, S.A., as well as the number of shares in Antena 3 corresponding to each share in Telefónica, S.A. shall be announced by this Company with sufficient prior notice.
