RIGHT TO ATTEND THE MEETING IN PERSON OR BY PROXY

The right to attend the General Shareholders' Meeting hereby called accrues to shareholders that hold at least 300 shares registered in their name in the

corresponding book-entry registry five days in advance of the date on which the Meeting is to be held and who provide evidence thereof by means of the appropriate attendance card or by producing a certificate issued by any of the depositaries participating in the *Sociedad de Gestión de los Sistemas de Registro, Compensación y Liquidación de Valores, S.A.U.* [Securities Registration, Clearing and Settlement Systems Management Company] (IBERCLEAR) or by any other means allowed under applicable law.

Any shareholder having the right to attend the General Shareholders' Meeting may be represented thereat by another person, who need not be a shareholder. A proxy may be granted by using the proxy-granting form printed on the attendance card or by any other means allowed by Law. The documents containing proxies for the General Shareholders' Meeting must set forth the instructions regarding the direction of the vote, provided that, where no express instructions are given, it shall be understood that the proxy-holder must vote in favor of the proposed resolutions submitted by the Board of Directors regarding the matters on the Agenda, and, unless otherwise provided, against the resolution in question in relation to any other matters that are not included in the Agenda and are thus unknown on the date that the proxy is granted but which may be submitted to a vote at the General Shareholders' Meeting.

If the proxy-granting form does not set forth a specific person to whom the shareholder grants the proxy, such proxy will be deemed granted in favor of the Chairman of the Board of Directors of the Company or of such other person as may replace him as Chairman of the General Shareholders' Meeting. In the event that the appointed representative is involved in a conflict of interest upon voting on any of the proposals, whether or not included in the Agenda, which are submitted to the shareholders at the General Shareholders' Meeting, and the shareholder has not given specific voting instructions, the proxy will be deemed granted to the Secretary for the General Shareholders' Meeting.

Shareholders who do not hold the minimum number of shares required to attend may grant a written proxy in respect thereof in favor of another shareholder having the right to attend, or come together with other shareholders that are in the same situation such that they reach the required number of shares and grant a written proxy to one of such shareholders.

PROXY-GRANTING AND VOTING BY MEANS OF LONG-DISTANCE COMMUNICATION

Pursuant to Articles 17 and 20 *bis* of the By-Laws and 13 and 20 *bis* of the Regulations for the General Shareholders' Meeting, the Board of Directors has resolved to provide for the exercise of proxy representation and voting rights by means of long-distance communication, as follows:

1.- Proxy-granting or voting prior to the General Shareholders' Meeting by electronic means.

Shareholders wishing to grant a proxy or to cast their vote by electronic means prior to the holding of the Meeting must access the "2012 General Shareholders' Meeting/Proxy-granting and Voting by Electronic Means" section available on the Company's website (www.telefonica.com) (the "Website") and follow the instructions to grant a proxy or to exercise their right to vote prior to the Shareholders' Meeting that are specified in the software.

To such end, shareholders must provide evidence of their identity on the software provided for such purpose on the above-mentioned Website by means of: (i) the Electronic National Identity Document, or (ii) a recognized, valid and current electronic user certificate, as provided in Electronic Signature Act 59/2003, issued by the Spanish Public Certification Body (CERES), a division of the Royal Mint (*Fábrica Nacional de Moneda y Timbre*). The Company reserves the right to request such additional means of identification from shareholders as it deems necessary to verify their status as shareholders and to guarantee the authenticity of the vote and of the proxy.

2.- Proxy-granting or voting by postal correspondence.

Shareholders wishing to grant a proxy or to cast their vote by postal correspondence must complete and sign the distance proxy-granting or voting card prepared by the Company and send it to the attention of the Office of the Shareholder (Distrito Telefónica, Ronda de la Comunicación s/n, Edificio Central, planta 2, 28050 Madrid), attaching the original of the document in the name of the shareholder evidencing ownership of the shares, issued for such purpose by the Depositary, along with a photocopy of the shareholder's national identity document or passport.

Shareholders that are legal entities must send to the Company a photocopy of a power of attorney with sufficient powers, evidencing the authority of the individual signing the proxy-granting or voting card in the name of the legal entity.

If a proxy is granted to a person other than one of the members of the Board of Directors, a copy of the proxy-granting card must be sent to the proxy-holder for delivery at the access to the premises on the day of the General Shareholders' Meeting.

Should they wish to revoke the proxy granted, shareholders must contact the Company, at the Office of the Shareholder (phone no.: 900 111 004) before midnight on May 10, 2012.

Shareholders may obtain the Company's proxy-granting or voting card by downloading it from and printing it on the Website, by picking it up at the registered office of the Company or by requesting at the Office of the Shareholder (900 111 004) that it be sent to them without charge.

Shareholders may also grant a proxy or cast a vote using the cards issued by depositaries. In this case, shareholders must complete the sections relating to proxy-granting or voting from a distance, if applicable, on the card issued by the depositary and send it to the Company by postal correspondence to the attention of the Office of the Shareholder (Distrito Telefónica, Ronda de la Comunicación s/n, Edificio Central, planta 2, 28050 Madrid).

3.- Provisions common to the exercise of proxy-granting or voting rights by means of long-distance communication.

a) Deadline for receipt by the Company and evidence of the status as shareholder.

In order to be valid, both the proxies granted and the votes cast prior to the General Shareholders' Meeting by means of long-distance communication (be it by electronic means or by postal correspondence) must be received by the Company before midnight on May 10, 2012.

The proxy or vote shall only be deemed to be valid if the status as shareholder is confirmed, through verification of the fact that the ownership information and the number of shares provided by each person granting a proxy or voting by means of long-distance communication are the same as the data provided by IBERCLEAR. In the event of a discrepancy between the number of shares reported by the shareholder and the number set forth in the IBERCLEAR file, the number of shares provided by IBERCLEAR shall prevail for purposes of quorum and voting.

In the event of co-ownership of shares, the person signing the proxy or the vote from a distance will be deemed to have been appointed to exercise the shareholder rights, if such person is one of the co-owners.

b) Rules of priority between proxy-granting and voting by means of long-distance communication and attendance at the General Shareholders' Meeting.

Attendance at the General Shareholders' Meeting by a shareholder who has previously granted a proxy or voted by means of long-distance communication, regardless of the means used, shall render the proxy or the vote null and void.

In the event that a shareholder grants several proxies or casts several votes (whether by electronic means or by postal correspondence), the action (proxy-granting or voting) taken last shall prevail. If the time when the shareholder granted any of the proxies or cast any of the votes is uncertain, the vote (regardless of the means used to cast it) shall prevail over the proxy. If the shareholder cast several votes in different directions, by electronic or postal means, the vote cast last shall prevail.

c) Suspension of electronic systems / Interconnection failures.

The Company reserves the right to modify, suspend, cancel or limit electronic voting or proxy-granting mechanisms whenever technical or security reasons require it or make it advisable. If any of such instances occurs, it will be announced on the Company's website. All of the foregoing is without prejudice to the validity of the votes already cast and the proxies already granted and to shareholders' attendance and proxy representation rights.

The Company shall not be liable for any damage that may be sustained by shareholders as a result of failures, overloads, downtime, failed connections or any other contingency of the same or like nature beyond the Company's control that prevents the use of electronic voting or proxy-granting mechanisms. Accordingly, such circumstances shall not constitute an unlawful deprivation of shareholders' rights.

PARTICIPATION OF A NOTARY AT THE MEETING

The Board of Directors has resolved to request the presence of a Notary Public to draw up the minutes of the Meeting, pursuant to Section 203 of the Companies Act, read together with Sections 101 and 103 of the Regulations of the Commercial Registry.

PROTECTION OF PERSONAL DATA

Shareholders have 30 days from the date of the General Shareholders' Meeting to object to such treatment (which they may do by calling toll-free at 900 111 004); upon expiration of such period without their having objected, they will be deemed to have given their consent for such purpose.

The rights of access, correction, cancellation and challenge may be exercised by the owner of the personal data, who must provide evidence of his identity, by letter addressed to the Office of the Shareholder of Telefónica, S.A., Distrito Telefónica, Ronda de la Comunicación s/n, Edificio Central, planta 2, 28050 Madrid.

If the shareholder includes personal data of other individuals on the proxy-granting or voting card, the shareholder must advise them of the details set forth in the preceding paragraphs and comply with any other requirements that may apply for the proper provision of the personal data to the Company, without the Company having to take any other additional action in terms of information or consent.

Shareholders (and their proxies, if any) must use any personal data of any individual that the Company may have made available to them on the occasion of the exercise of their rights to receive information, to attend, to grant a proxy and to vote at the General Shareholders' Meeting only in order to exercise such rights.

“Article 10. Right to receive information

1. From the time of publication of the notice of the call to a General Shareholders' Meeting through the seventh day prior to the date set for the holding thereof upon first call, any shareholder may submit a written request to the Board of Directors of the Company for such information or clarifications as it deems are required, or ask written questions it deems are pertinent, regarding the matters included in the Agenda for the Meeting that has been published in the notice of call thereto, or regarding information accessible to the public that the Company has provided to the National Securities Market Commission since the holding of the immediately prior General Shareholders' Meeting, or regarding the auditor's report.

The Board of Directors shall be required to provide in writing, until the day when the General Shareholders' Meeting is held, the requested information or clarifications, as well as to respond in writing to the questions asked. The answers to the questions and to the requests for information shall be channeled through the Secretary of the Board of Directors and provided by any member thereof or by any person expressly authorized by the Board of Directors to that end.

2. During the course of the General Shareholders' Meeting, the shareholders of the Company may verbally request such

information or clarifications as they deem appropriate regarding the matters contained in the agenda, or regarding the information accessible to the public that the Company has provided to the National Securities Market Commission since the holding of the last General Shareholders' Meeting, or regarding the auditor's report. In the event that it is not possible to satisfy the shareholder's right at that time, the Directors shall provide such information in writing within seven days of the close of the Meeting.

3. *The Directors shall have the duty to provide the information requested in reliance upon the two preceding paragraphs, except in those cases in which (i) it has been requested by holders of less than one-fourth of the share capital and the dissemination thereof may, in the opinion of the Chairman, prejudice the corporate interests; (ii) the request for information or clarifications does not refer to matters included in the agenda or, in the case of subsection 1 above, to information accessible to the public that has been provided by the Company to the National Securities Market Commission since the holding of the immediately prior General Shareholders' Meeting; (iii) prior to the request for information, such information has been clearly and directly made available to all shareholders in question-and-answer format on the Company's website; (iv) the request for information is deemed abusive for any other reason; or (v) it is so established in legal or regulatory provisions.*

Answers to shareholders who attend the General Shareholders' Meeting from a distance by means of data transmission and simultaneously and who exercise their right to receive information through this procedure shall be provided, if applicable, in writing, within seven days following the Meeting."

New text of Article 11 of the Regulations for the General Shareholders' Meeting:

“Article 11. Electronic Shareholders' Forum and suggestions made by the shareholders

1. *Without prejudice to the shareholders' right, in such cases and under such terms as are provided in the Law, to have certain matters included in the Agenda for the Meeting that they request be called, the shareholders may at all times and after providing evidence of their status as such, make suggestions through the Shareholder Service [Servicio de Atención al Accionista] regarding the organization and operation of the General Shareholders' Meeting and the powers of the shareholders thereat.*

2. *On occasion of the call to meeting and until each General Shareholders' Meeting is held, the Company shall place into operation on its website an Electronic Shareholders' Forum, which shall be accessible, with appropriate safeguards, by both individual shareholders and by any voluntary associations they may create as provided by law, in order to facilitate their communication prior to a General Shareholders' Meeting being held. Proposed resolutions sought to be presented as a supplement to the agenda notified in the call to meeting may be published in the Forum, together with requests for adherence to such proposals, initiatives to reach the percentage sufficient to exercise a minority right provided by Law as well as proxy offers or solicitations. The Board of Directors may further develop the above-mentioned rules and establish the procedures, terms and other conditions for the operation of the Electronic Shareholders' Forum.”*

New text of Article 13 of the Regulations for the General Shareholders' Meeting:

"Article 13. Proxy-granting and representation

1. *Every shareholder having the right to attend the General Shareholders' Meeting may be represented thereat by another person, even if not a shareholder. The proxy must be granted specifically for each Meeting, either by using the proxy-granting form printed on the attendance card or in any other manner permitted by the Law, without prejudice to the provisions of the Companies Act (Ley de Sociedades de Capital) regarding cases of proxies granted to family relatives and general proxies.*

The documents setting forth the proxies or powers of attorney for the General Shareholders' Meeting shall contain instructions regarding the direction of the vote. Unless otherwise expressly indicated by the shareholder granting the proxy, it shall be understood that the shareholder gives specific instructions to vote in favor of the proposed resolutions put forward by the Board of Directors regarding the matters on the agenda.

If there are no voting instructions because the shareholders acting at the General Shareholders' Meeting are to decide matters that are not included in the agenda and are thus unknown on the date that the proxy is granted but which may be submitted to a vote at the Meeting, the proxy-holder shall vote in such direction as he deems most appropriate, taking into account the interest of the Company and that of the shareholder granting the proxy. The same rule shall apply when the relevant proposal or proposals submitted to the shareholders at the Meeting have not been made by the Board of Directors.

If the document setting forth the proxy or power of attorney does not state the specific person or persons to whom the shareholder grants the proxy, such proxy shall be deemed granted in favor of any of the following: the Chairman of the Board of Directors of the Company, or the person that stands in for him as Chairman of the General Shareholders' Meeting, or such person as is appointed by the Board of Directors, with notice of such appointment being given in advance in the official notice of the call to meeting. If the Chairman of the Board of Directors of the Company, or the person acting in his stead, or the person appointed by the Board of Directors, as applicable, is affected by any of the conflicts of interest contemplated in the Companies Act and the document setting forth the proxy does not contain any specific instructions, the proxy shall be deemed granted to the Secretary for the General Shareholders' Meeting.

A proxy is always revocable. Attendance at the Meeting by the shareholder granting the proxy, whether in person or through distance voting, entails the revocation of any proxy, whatever the date thereof. A proxy shall likewise be rendered void as a result of the disposition of shares of which the Company has notice.

2. Individual shareholders who do not have full legal capacity and corporate shareholders shall be represented by those persons who act as representatives thereof pursuant to Law, with evidence of such representative capacity being duly provided.

3. In any event, in cases of voluntary representation as well as those of legal representation, no person may have more than one representative at the Meeting.

4. The Chairman of the General Shareholders' Meeting, or the Secretary for the Meeting acting under a delegation of powers, shall resolve all questions arising in connection with the validity

and effectiveness of the documents setting forth the right of any shareholder to attend the General Shareholders' Meeting, whether individually or by grouping shares with other shareholders, as well as the granting of a proxy or of powers of representation to another person, and shall ensure that only such documents as fail to meet the minimum essential requirements are considered invalid or ineffective and provided that the defects therein have not been cured.

5. *When a proxy is granted by means of long-distance communication, it shall only be deemed valid if it is carried out by sending to the Company the duly signed attendance and proxy-granting card or other written instrument that, in the opinion of the Board of Directors expressed in a resolution adopted for such purpose, allows for due verification of the identity of the shareholder granting the proxy and that of the proxy-holder designated therein.*

A proxy granted or notified by electronic mail or communication with the Company shall only be admitted when, once such conditions of security and unambiguousness as are appropriate have been verified, it is so decided by the Board of Directors by means of a resolution and subsequent communication included in the notice of the call to the Meeting in question and further development thereof on the Company's website. In the above-mentioned resolution, the Board of Directors shall specify the conditions governing proxy-granting by electronic mail or communication, which shall necessarily include the obligation of the shareholder that exercises such right to submit a copy of the attendance and proxy-granting card in electronic form, describe in detail the representation granted and the identity of the shareholder granting the proxy, and include in the communication the recognized electronic signature or other type of identification of

the shareholder granting the proxy, under such terms as are established by the Board of Directors by resolution adopted for such purpose, such that this system of representation may adequately guarantee the authenticity and identity of the shareholder granting the proxy.

Once that the Board of Directors resolves, if it deems it appropriate, to admit the proxy-granting system by electronic mail or communication as provided herein, it shall also endeavor to adopt the measures required for such admission of the aforementioned proxy-granting system to be included and set forth in these Regulations.

In order to be valid, a proxy granted by either of the aforementioned means of long-distance communication must be received by the Company before midnight on the third day prior to the date set for the holding of the Meeting upon first call. In the resolution providing for the call to the Meeting in question, the Board of Directors may reduce such advance period and publish any such reduction in the same manner as the notice of the call to meeting. Furthermore, the Board of Directors may elaborate upon the foregoing provisions governing proxy-granting by means of long-distance communication, in accordance with the provisions of sub-section 5 of Article 20 bis of the By-Laws and sub-section 7 of Article 20 bis of these Regulations.

6. *A proxy may include items that, even if not contained in the agenda, may be dealt with by the shareholders at the General Shareholders' Meeting because it is so permitted by Law.*

7. *The Board may elaborate upon the foregoing provisions governing proxy-granting by means of long-distance communication, pursuant to the provisions of paragraph 7 of Article 20 bis below."*

New text of Article 27 of the Regulations for the General Shareholders' Meeting:

"Article 27. Publication of resolutions

1. *Regardless of such publication measures as may be legally required in each case, the resolutions approved at the General Shareholders' Meeting and the result of the votes shall be published in full on the Company's website within five days following the close of the Meeting.*

2. *Recordable resolutions shall be filed for registration with the Commercial Registry and shall be published in accordance with applicable provisions.*

3. *The Company shall report the resolutions adopted at the General Shareholders' Meeting to the National Securities Market Commission and to all appropriate Market Supervisory Authorities, either in full-text form or by means of a summary of the contents of such resolutions, as soon as possible after the close of the Meeting."*

Proposal regarding Item VI on the Agenda: Shareholder Compensation.

VI.1 Distribution of dividends with a charge to unrestricted reserves.

To approve a distribution of Unrestricted Reserves by means of payment of the fixed gross amount of 0.53 euro per share to each existing share of the Company that is outstanding and has the right to participate in such distribution on the payment date, with the respective charge to the above-mentioned Unrestricted Reserves.

Payment shall be made on 18 May 2012 through the Member Entities of *Sociedad de Gestión de los Sistemas de Registro, Compensación y Liquidación de Valores S.A.U.* [Securities Registration, Clearing and Settlement Systems Management Company] (IBERCLEAR).

VI.2 Shareholder compensation by means of a scrip dividend. Increase in share capital by such amount as may be determined pursuant to the terms and conditions of the resolution through the issuance of new ordinary shares having a par value of one (1) euro each, with no share premium, of the same class and series as those that are currently outstanding, with a charge to reserves. Offer to purchase free-of-charge allocation rights at a guaranteed price. Express provision for the possibility of incomplete allocation. Delegation of powers to the Board of Directors, which may, in turn, delegate such powers to the Executive Commission, to set the terms and conditions of the increase as to all matters not provided for by the shareholders at this General Shareholders' Meeting, to take such actions as may be required for the implementation thereof, to amend the text of sub-section 1 of Article 5 of the By-Laws to reflect the new amount of the share capital and to execute such public and private documents as may be necessary for the implementation of the capital increase. Application to the appropriate domestic and foreign authorities for admission to trading of the new shares on the Madrid, Barcelona, Bilbao and Valencia Stock Exchanges through the Automated Quotation System [Sistema de Interconexión Bursátil] (Continuous Market) and on the foreign Stock Exchanges on which the shares of Telefónica are listed (London and Buenos Aires and, through ADSs,

New York and Lima), in the manner required by each of such Stock Exchanges.

1.- Capital increase

Those present resolved to increase capital stock by the amount resulting from multiplying (a) the par value of one (1) euro per share in Telefónica, S.A. (“Telefónica”) by (b) the number of new Telefónica shares to be determined using the formula indicated under item 2 below (the “New Shares”).

The capital increase is performed by issuing and allotting the New Shares, which shall be common shares, each with a par value of one (1) euro, of the same class and series as those currently outstanding, represented by book entries.

The capital increase is performed in full with a charge to one of the reserves provided for under Article 303.1 of the Corporate Enterprises Law.

The New Shares are issued at par, i.e., for their par value of one (1) euro, without additional paid-in capital, and will be allotted free of charge to the shareholders of Telefónica.

Pursuant to Article 311 of the Corporate Enterprises Law, provision is made for the possibility of an incomplete allotment of the increase. If such incomplete allotment occurs, capital will be increased by the appropriate amount.

2.- New Shares to be issued

The number of New Shares will be equal to the result of applying the following formula, rounded down to the nearest whole number:

$$NAN = NTAcc / \text{Number of Rights}$$

where,

NAN = Number of New Shares to be issued;

NTAcc = Number of outstanding Telefónica shares on the date the Board of Directors or, by delegation, the Managing Committee decides to carry out the increase; and

Number of rights = Number of free allotment rights needed for the allotment of one New Share, which number will be obtained by applying the following formula, rounded up to the nearest whole number:

Number of rights = NTAcc / Provisional number of shares

where,

Provisional number of shares = Amount of the Alternative Option / PreCot.

For such purposes:

“Amount of the Alternative Option” will be 1,369,198,945.50.

“PreCot” is the arithmetic mean of the average weighted prices of the Telefónica share on the Spanish Unified Computerized Trading System in the 5 trading sessions prior to the decision of the Board of Directors or, by delegation, the Managing Committee to carry out the capital increase, rounded off to the nearest one-thousandth of a euro and, in the case of one-half of one thousandth of a euro, rounded up to the nearest one-thousandth (amount referred to as “Market Price” in this report). In any case, PreCot cannot be less than the par value of the shares and, accordingly, if the result of the foregoing calculation were less, PreCot would be equal to one (1) euro.

3.- Free allotment rights

Each outstanding Telefónica share will grant one free allotment right.

The number of free allotment rights needed to receive one new Share will be determined automatically according to the proportion between the number of New Shares and the number of outstanding Shares (NTAcc). In particular, shareholders will be entitled to receive one New Share for every number of free allotment rights determined automatically pursuant to section 2 above (Number of rights) they own.

If (i) the number of free allotment rights needed for the allotment of one share (Number of rights) multiplied by the New Shares (NAN) is lower than (ii) the number of outstanding shares (NTAcc), Telefónica, or an entity in its group, will waive a number of free allotment rights equal to the difference between the two figures, for the sole purpose of having a whole number of New Shares and not a fraction.

The free allotment rights will be allotted to the shareholders of Telefónica who appear as such in the book-entry records of Sociedad de Gestión de los Sistemas de Registro, Compensación y Liquidación de Valores, S.A.U. (Iberclear) at 11:59 p.m. in Madrid on the day of publication of the notice of the capital increase in the Official Commercial Registry Gazette. Without prejudice to the maximum term of one year to carry out the capital increase, the publication of the notice of the capital increase is expected to occur on May 17, 2012. During the free allotment rights trading period, sufficient free allotment rights may be acquired on the market in the proportion necessary for subscribing to new Shares. The free allotment rights may be traded on the market during the term stipulated by the Board or, by delegation, by the Managing Committee, which cannot be less than fifteen calendar days.

4.- Undertaking to purchase free allotment rights

Telefónica, or whichever Telefónica group company is determined, will make an irrevocable undertaking to purchase the rights received free of charge by shareholders at the price indicated below (the “Purchase Undertaking”). The Purchase Undertaking will be in force for the time, during the free allotment rights trading period, stipulated by the Board of Directors or, by delegation, by the Managing Committee. The “Purchase Price” of each free allotment right will be equal to that resulting from the following formula, rounded off to the nearest one-thousandth of a euro and, in the event of one-half of one-thousandth of a euro, rounded up to the nearest one-thousandth:

$$\text{Purchase Price} = \text{PreCot} / (\text{Number of rights} + 1)$$

5.- Transaction balance sheet and reserves to which the increase will be charged

The balance sheet which will serve as a basis for the transaction is the balance sheet as of December 31, 2011, duly audited and approved by this Annual Shareholders’ Meeting.

As indicated, the capital increase will be charged in full to one of the reserves provided for under Article 303.1 of the Corporate Enterprises Law. When the increase is carried out, the Board of Directors or, by delegation, the Managing Committee will determine the reserve to be used and the amount thereof in accordance with the balance sheet serving as a basis for the transaction.

6.- Representation of the New Shares

The shares to be issued will be represented by book entries, the records of which will be kept by Sociedad de Gestión de los Sistemas de Registro,

Compensación y Liquidación de Valores, S.A.U. (Iberclear) and its participating entities.

7.- Rights carried by the New Shares

Holders of the new shares will have the same voting and dividend rights as the holders of the common Telefónica shares currently outstanding, from the date on which the increase is declared to have been subscribed and paid in.

8.- Shares on deposit

After the free allotment rights trading period has ended, any New Shares unable to be allotted for reasons not attributable to Telefónica will be held on deposit and will be available to those who evidence lawful ownership of the related free allotment rights. Three years after the date of the end of the free allotment rights trading period, any share still pending allotment may be sold pursuant to Article 117 of the Corporate Enterprises Law, for the account and at the risk of the interested parties. The net proceeds from the aforesaid sale will be deposited with the Bank of Spain (Banco de España) or with the Government Depository (Caja General de Depósitos) and will be available to the interested parties.

9.- Application for admission to official trading

Those present resolved to apply for admission of the New Shares to trading on the Madrid, Barcelona, Bilbao and Valencia Stock Markets through the Spanish Unified Computerized Trading System (Continuous Market), and to take such steps and actions as may be necessary and file the required documents with the authorities of the foreign Securities Markets on which Telefónica shares are traded (currently, London and Buenos Aires and, through ADSs (American Depository Shares), New York and Lima) in order for the New Shares issued under the capital increase to be admitted trading, expressly stating the submission of

Telefónica to the provisions in force now or in the future in connection with the Stock Market and, especially, on trading, continued listing and delisting.

It is expressly recorded, for the appropriate statutory purposes, that if the delisting of Telefónica shares is subsequently requested, Telefónica will comply with the formalities imposed by the applicable legislation and, in such case, the interests of shareholders opposing or not voting on the delisting resolution will be guaranteed in compliance with the requirements stipulated in the Corporate Enterprises Law, the Securities Market Law and other concordant or implementing provisions.

10.- Performance of the increase

Within one year after the date of this resolution, the Board of Directors or, by delegation, the Managing Committee may resolve to carry out the increase and stipulate any terms of the increase not provided for in this resolution. As mentioned before, notwithstanding the foregoing, the publication of the notice of the Capital Increase is expected to occur on May 17, 2012.

If the Board of Directors does not consider it advisable to carry out the capital increase, it may decide not to carry it out, in which case it must report its decision to the shareholders at the next Annual Shareholders' Meeting. The capital increase referred to in this resolution will be rendered ineffective if the Board of Directors does not exercise the powers delegated to it within the one-year period stipulated by the shareholders for the performance of the resolution.

After the free allotment rights trading period has ended:

(a) The New Shares will be allotted to the holders of free allotment rights, according to the book-entry records of Iberclear and its participating entities, in the proportion resulting from Section 3 above.

(b) *The Board of Directors or, by delegation, the Managing Committee will close the free allotment rights trading period and will record the application of an amount of reserves equal to the capital increase, which shall thus be fully paid in.*

Also after the free allotment rights trading period has ended, the Board of Directors or, by delegation, the Managing Committee will adopt the related resolutions to amend the bylaws in order to reflect the new amount of capital stock resulting from the increase and to apply for admission of the new shares to trading on the Spanish and foreign stock markets on which Telefónica shares are listed.

11.- Delegation for carrying out the increase

Those present resolved to delegate to the Board of Directors, pursuant to Article 297.1.a) of the Corporate Enterprises Law, with express authority to delegate to the Managing Committee, the power to stipulate any terms of the capital increase not provided for in this resolution. In particular, without limitation, the following powers are delegated to the Board of Directors:

Proposal regarding Item VII on the Agenda: Reduction in share capital by means of the cancellation of shares of the Company's own stock, excluding the right of creditors to oppose the reduction, and amendment of Article 5 of the By-Laws concerning the share capital.

- A) *To reduce the share capital of the Company by the amount of 84,209,363 euros, by means of the cancellation of 84,209,363 shares of the Company's treasury stock, number of shares of the Company's treasury stock at 31st December 201, which were previously acquired in reliance on the authorization previously granted by the shareholders at the General Shareholders' Meeting, within the limits established in Sections 146 and 509 of the Companies Act. Accordingly, Article 5 of the By-Laws regarding the amount of share capital is hereby amended and shall henceforth read as follows:*

"Article 5.- Share Capital

- 1. The share capital is 4,479,787,122 euros, represented by 4,479,787,122 ordinary shares in a single series and with a nominal value of one euro each, which have been fully paid up.*
- 2. The shareholders acting at the General Shareholders' Meeting may, subject to the requirements and within the limits established by law for such purpose, delegate to the Board of Directors the power to increase the share capital."*

The reduction of the share capital is made with a charge to discretionary reserves, cancelling the corresponding amount of the restricted reserve mentioned in Section 148 c) of the Companies Act, and funding a reserve due to capital reduction in the amount of 84,209,363 euros (an amount equal to the par value of the cancelled shares) which may only be used by complying with the same requirements as those established for the reduction of the share capital, pursuant to the provisions of Section 335 c) of the Companies Act. Accordingly, as provided therein, the creditors of the Company shall not have the right to object mentioned in Section 334 of the Companies Act in connection with the capital reduction resolved to be made.

The reduction does not involve a return of contributions, since the Company itself is the owner of the cancelled shares. The purpose of the reduction will thus be to cancel the shares of treasury stock.

It is hereby stated for the record, for purposes of the provisions of Section 411.1 of the Companies Act, that the consent of the Bondholders' Syndicates under the issuances of outstanding debentures and bonds is not required inasmuch as the approved capital reduction does not reduce the original proportion between the sum of capital plus reserves and the amount of the debentures pending repayment.

- B) *To authorize the Board of Directors to determine, within one year from the date of adoption of this resolution, any other matters that have not been expressly established in this resolution or that are a result hereof, and to adopt the resolutions, take the actions and execute the public or private documents that may be necessary or appropriate for the full implementation of this resolution, including, without limitation, the publication of the legally required notices, the making of the appropriate applications and the giving of the appropriate notices required to delist the cancelled shares; such powers may be delegated by the Board of Directors to the Executive Commission, to the Executive Chairman of the Board of Directors, or to any other person expressly authorized by the Board of Directors for such purpose.*
