## GENERAL PROVISIONS APPLICABLE TO THE INSTRUMENTS

21. Form of Instruments:

### **Bearer Instruments:**

Permanent Global Instrument (as defined below) exchangeable for definitive Instruments (*Wertpapiere*) in the limited circumstances described below and specified in the Permanent Global Instrument.

The Instruments and all rights in connection therewith are documented in the form of a permanent global instrument (the "**Permanent Global Instrument**") which shall be deposited by the Principal Swiss Paying Agent (as defined below) with SIX SIS Ltd or any other intermediary in Switzerland recognised for such purposes by SIX Swiss Exchange Ltd (SIX SIS Ltd or any such other intermediary, the "**Intermediary**"). Once the Permanent Global Instrument is deposited with the Intermediary and entered into the accounts of one or more participants of the Intermediary, the Instruments will constitute intermediated securities (*Bucheffekten*) ("**Intermediated Securities**") in accordance with the provisions of the Swiss Federal Intermediated Securities Act (*Bucheffektengesetz*).

Each Holder (as defined below) shall have a quotal co-ownership interest (*Miteigentumsanteil*) in the Permanent Global Instrument to the extent of its claim against the Issuer, *provided that* for so long as the Permanent Global Instrument remains deposited with the Intermediary the co-ownership interest shall be suspended and the Instruments may only be transferred or otherwise disposed of in accordance with the provisions of the Swiss Federal Intermediated Securities Act (*Bucheffektengesetz*), i.e., by entry of the transferred Instruments in a securities account of the transferee.

Neither the Issuer nor the Holders (as defined below) shall at any time have the right to effect or demand the conversion of the Permanent Global Instrument (*Globalurkunde*) into, or the delivery of, uncertificated securities (*Wertrechte*) or definitive Instruments (*Wertpapiere*).

The records of the Intermediary will determine the number of Instruments held through each participant in that Intermediary. In respect of the Instruments held in the form of Intermediated Securities, the holders of the Instruments (the " **Holders**") will be the persons holding the Instruments in a securities account.

No physical delivery of the Instruments shall be made unless and until definitive Instruments (*Wertpapiere*) shall have been printed. Definitive Instruments may only be printed, in whole, but not in part, if the Principal Swiss Paying Agent determines, in its sole discretion, that the printing of the definitive Instruments (*Wertpapiere*) is necessary or useful. Should the Principal Swiss Paying Agent so determine, it shall provide for the printing of definitive Instruments (*Wertpapiere*) without cost to the Holders. If printed, the definitive Instruments (*Wertpapiere*) shall be executed by affixing thereon the facsimile signature of two authorised officers of the Issuer. Upon delivery of the definitive Instruments (*Wertpapiere*), the Permanent Global Instrument will immediately be cancelled by the Principal Swiss Paying Agent and the definitive Instruments (*Wertpapiere*) shall be delivered to the Holders against cancellation of the Instruments in the Holders' securities accounts.
