Article 16.- Ordinary and Extraordinary General Shareholders' Meeting

1. The shareholders acting at an Ordinary General Shareholders' Meeting, which shall have previously been called for such purpose, shall meet within the first six months of each fiscal year in order, if appropriate, to approve corporate management, the financial statements for the prior fiscal year and decide on the allocation of profits/losses. Resolutions may also be adopted regarding any other matter properly coming before them, provided that such matter appears on the Agenda or is legally applicable, and a quorum for the General Shareholders’ Meeting has been established with the presence of the required share capital.

2. The Ordinary General Shareholders’ Meeting shall be valid even if it has been called or is held beyond the applicable deadline.

3. Any General Shareholders’ Meeting other than as provided for in the preceding paragraph shall be deemed an extraordinary General Shareholders’ Meeting and shall be held at any time of the year, provided that the Board of Directors deems it appropriate or when so requested in writing by the holders of at least 3% of the share capital, which request shall set forth the matters to be dealt with. In this instance, the General Shareholders’ Meeting shall be called to be held within the period legally provided for. The Board of Directors shall prepare the Agenda, in which it shall include at least the matters set forth in the request.

4. All General Shareholders’ Meetings, whether Ordinary or Extraordinary, which have been duly called, shall be validly constituted with the minimum quorum required by law, taking into account the matters included in the Agenda.
Article 17.- Call and form of the General Shareholders' Meeting

1. The General Shareholders’ Meeting shall be called with the minimum advance notice required by law, through a notice published, at least:

   a) In the Official Bulletin of the Commercial Registry or in one of the more widely circulated newspapers in Spain.

   b) On the website of the National Securities Market Commission.

   c) On the Company’s corporate website.

The notice published on the Company's corporate website shall be continuously accessible at least until the date of the General Shareholders’ Meeting. The Board of Directors may also publish notices in other media, if it deems it appropriate to ensure the public and effective dissemination of the call to meeting.

2. The call notice shall contain all the statements required by law in each case and, in any event, shall set forth the date and time of the meeting upon first call and all the matters to be dealt with thereat, as well as the form of the meeting and, where appropriate, the place of the meeting. The notice may also set forth the date on which the General Shareholders’ Meeting shall, if applicable, be held upon second call.

3. The General Shareholders’ Meeting may be held (a) in person only, (b) in person with the possibility of remote attendance, by electronic or telematic means, or, (c) when permitted by law and for reasons that make it advisable, and under the conditions provided in the law, exclusively by telematic means.

4. Except in the cases provided by law, General Shareholders’ Meetings may not deliberate on or discuss matters that are not included in the Agenda.
5. At Ordinary General Shareholders’ Meetings, shareholders representing at least 3% of the share capital may request the publication of a supplement to the call including one or more items in the Agenda, so long as such new items are accompanied by a rationale or, if applicable, by a well-founded proposal for a resolution.

6. In addition, shareholders representing at least 3% of the share capital may submit well-founded proposals for resolutions regarding items already included or that must be included in the Agenda for the General Shareholders’ Meeting called.

7. The rights provided for in the two preceding paragraphs must be exercised by means of duly authenticated notice that must be received at the Company's registered office within five days of the publication of the call to meeting. The supplement to the call to meeting and the proposals for resolutions must be published or disseminated in compliance with the legal requirements and advance notice provided by law.

Article 18.- Place and time of holding the General Shareholders’ Meeting

1. The General Shareholders' Meeting shall be held, where appropriate, at the place set forth in the notice of the call to meeting, within the area where the Company has its registered office, on the date and at the time also set forth in such notice.

2. The General Shareholders’ Meeting held exclusively through telematic means shall be deemed to have been held at the registered office.

3. The shareholders at the General Shareholders’ Meeting may, whenever there is good reason, resolve to extend the General Shareholders’ Meeting for one or more consecutive days, at the proposal of the Chairman of the General Shareholders’ Meeting or of shareholders representing at least a quarter of the share capital attending. Regardless of the number of sessions, it shall be deemed
that the General Shareholders’ Meeting is one single meeting, and a single set of Minutes shall be drawn up for all of the sessions.

4. The General Shareholders’ Meeting may also be temporarily adjourned in the cases and manner provided for in the Regulations for the General Shareholders’ Meeting.

Article 19.- Right to attend

1. The right to attend General Shareholders' Meetings shall accrue to the holders of at least 300 shares, provided that such shares are registered in their name in the corresponding book-entry registry five days in advance of the date on which the General Shareholders’ Meeting is to be held, and provided also that they present evidence thereof with the appropriate attendance card or certificate issued by any of the entities participating in the institution that manages such book-entry registry or in any other manner permitted by law.

2. Holders of a lesser number of shares may grant a proxy in respect thereof to a shareholder having the right to attend, as well as group together with other shareholders in the same situation until reaching the required number of shares, following which a proxy must be granted by the shareholders so grouped together to one of such shareholders. The grouping must be carried out specifically for each General Shareholders’ Meeting and be recorded in writing.

3. The Directors must attend General Shareholders’ Meetings, except when unable to do so upon duly justified grounds. Non-attendance by any of them shall not affect the valid constitution of the General Shareholders’ Meeting.

4. The General Shareholders’ Meeting may also be attended by senior executive officers, technicians, experts and such other persons as may have a relationship with the Company in the opinion of the Chairman of the General Shareholders’ Meeting. The Chairman of the General Shareholders’ Meeting may also authorize the attendance of any other person that he sees fit, including
media, analysts, etc., although the General Shareholders’ Meeting may revoke such authority.

**Article 20.- Right of representation**

1. Every shareholder having the right to attend may be represented at the General Shareholders' Meeting by any other person, even if not a shareholder. For such purpose, the shareholder being represented shall comply with the requirements and formalities established under law. The proxy shall be granted in writing or electronically.

The Chairman of and the Secretary for the General Shareholders' Meeting shall have the widest powers allowed by law to recognize the validity of the document evidencing proxy representation; they shall only deem invalid those documents that lack the minimum indispensable requirements, and so long as the lack thereof cannot be cured.

2. A proxy shall be granted specifically for each General Shareholders’ Meeting, unless the proxy-holder is the granting shareholder’s spouse, ascendant or descendant, or holds a general power of attorney granted in a public instrument with powers to manage all of the assets held by the shareholder granting the proxy in Spain.

3. A proxy is always revocable. Casting the vote remotely and attendance at the General Shareholders’ Meeting by the shareholder granting the proxy entails the revocation of any proxy, whatever the date thereof. A proxy shall likewise be rendered void as a result of the disposition of shares of which the Company has notice.

Without prejudice to the provisions of Section 187 of the Companies Act, a proxy must be granted pursuant to the provisions of Section 184.2 of such Act.
4. When a proxy is granted by means of long-distance communication, it shall only be deemed valid if it is carried out by postal delivery or correspondence or by electronic communication effected pursuant to the provisions of this section. Proxies granted by telephone in accordance with the procedure, where applicable, set forth in the call notice shall be deemed to have been granted by electronic communication.

A proxy shall be granted by postal delivery or correspondence by sending or delivering to the Company the duly completed and signed attendance and proxy-granting card or other written instrument that, in the opinion of the Board of Directors expressed in a resolution adopted for such purpose, allows for due verification of the identity of the shareholder granting the proxy and that of the proxy-holder designated therein.

A proxy shall be granted by electronic communication with the Company by using an electronic signature or such other means as the Board of Directors deems adequate to guarantee the authenticity and identity of the shareholder exercising his right, and, where granted by electronic means, accompanied by an electronic copy of the duly completed attendance and proxy-granting card.

5. In order to be valid, a proxy granted by either of the aforementioned means of long-distance communication must be received by the Company before midnight on the third day prior to the date set for the holding of the General Shareholders’ Meeting upon first call. In the resolution providing for the call to the General Shareholders’ Meeting in question, the Board of Directors may reduce such advance period and publish any such reduction in the same manner as the notice of the call to meeting.

6. Furthermore, the Board of Directors may elaborate upon the foregoing provisions governing proxy-granting by means of long-distance communication, in accordance with the provisions of paragraph 5 of Article 25 below.
7. A proxy may include items that, even if not contained in the Agenda, may be dealt with by the shareholders at the General Shareholders' Meeting because it is so permitted by law.

Article 21.- Remote attendance by electronic or data transmission means

1. When the meeting is held in person with the possibility of remote attendance, either through electronic or telematic means, or, when permitted by law, exclusively through telematic means, remote attendance at the General Shareholders’ Meeting and electronic voting from a distance during the holding thereof, shall be governed by the Regulations for the General Shareholders' Meeting and other implementing regulations as determined by the Board of Directors at the time of the call.

2. In particular, the Board of Directors, subject to the provisions of law, the By-Laws and the Regulations for the General Shareholders' Meeting, may approve all the required procedural aspects, including, among other issues, how much in advance, at a minimum, the connection must be established for the shareholder to be deemed present, the procedure and applicable rules for the shareholders attending from a distance to be able to exercise their rights, the identification requirements to be satisfied by shareholders attending through electronic or telematics means and the impact thereof on the system for preparing the attendance rolls.

Article 22.- Shareholders’ right to receive information

1. From the publication of the notice of the call to a General Shareholders’ Meeting and during the period required by law, any shareholder may submit a written request for such information or clarifications as it deems are required, or ask written questions it deems are pertinent, regarding the matters included in the call Agenda, or regarding information accessible to the public that the Company has provided to the National Securities Market Commission since the
holding of the immediately prior General Shareholders’ Meeting and regarding the auditor’s report.

2. During the course of the General Shareholders’ Meeting, the shareholders may request such information or clarifications as they deem appropriate regarding the matters contained in the Agenda, or regarding the information accessible to the public that the Company has provided to the National Securities Market Commission since the holding of the last General Shareholders’ Meeting, or regarding the auditor’s report.

3. The Board of Directors must provide the information requested pursuant to the two preceding paragraphs, in the manner and by the deadlines provided by law, except in those cases in which it is legally inadmissible and, in particular, when such information is unnecessary for the protection of shareholder rights, there are objective reasons to believe that it might be used for ultra vires purposes, or publication thereof may prejudice the Company or related companies. The information may not be withheld when the request is supported by shareholders representing at least one-fourth of the share capital.

Valid requests for information or clarifications submitted or questions asked in writing by the shareholders, as well as the answers provided in writing by the Directors, shall be posted on the Company’s website.

If the information requested by the shareholders has been clearly, expressly and directly made available to all shareholders in question & answer format on the Company’s corporate website, the Board of Directors’ may limit its response to a reference to the information provided in such format.

4. In the case of the Ordinary General Shareholders' Meeting and in the other cases established by law, the call notice shall make the appropriate references regarding the right to examine at the registered office and obtain, immediately and without charge, the documents that are to be submitted to the
General Shareholders' Meeting for approval and, if appropriate, such report or reports as may be determined by law.

**Article 23.- Presiding committee of the General Shareholders’ Meeting and preparation of the attendance roll**

1. The Chairman of the Board of Directors or, in the absence thereof, a Vice Chairman of such Board of Directors, in such order as is applicable in the event that there are several of them, shall chair the General Shareholders' Meeting; in the event of vacancy, absence or sickness, they shall be replaced by the longest-serving Director, and in case of equal length of service, by the oldest. The Secretary of the Board of Directors or, in the absence thereof, a Deputy Secretary, in such order as is applicable in the event that there are several of them, shall act as Secretary for the General Shareholders’ Meeting, and in the absence of both, shall be held by the Director with the least amount of time as such, and in case of equal length of service, by the youngest.

2. The presiding committee [mesa] of the General Shareholders' Meeting shall be composed of the Chairman of the General Shareholders’ Meeting, the Secretary for the General Shareholders' Meeting and the members of the Board of Directors who attend the meeting.

3. Once the presiding committee has been formed, and prior to beginning with the Agenda, an attendance roll shall be prepared by the Secretary for the General Shareholders’ Meeting which sets forth the nature or representation of each attendee and the number of their own or other shareholders' shares present. At the end of the roll, there shall be a determination of the number of shareholders present in person -separately including those who voted from a distance - or by proxy, as well as the amount of capital they own, specifying the capital held by shareholders with the right to vote. If the attendance roll does not appear at the beginning of the Minutes of the General Shareholders' Meeting, it shall be attached thereto as an annex signed by the Secretary for the General
Shareholders’ Meeting with the approval of its Chairman. The attendance roll may also be made up of an index file or be prepared in electronic form. In such cases, the medium used shall be set forth in the Minutes themselves, and the sealed cover of the index file or electronic medium shall show the appropriate identification procedure signed by the Secretary for the General Shareholders’ Meeting with the approval of its Chairman.

4. Once the attendance roll has been prepared, the Chairman of the General Shareholders’ Meeting shall state whether or not the requirements for its valid constitution have been met. Any questions or claims arising with respect to these matters shall be resolved by the Secretary for the General Shareholders’ Meeting. Immediately thereafter, if appropriate, the Chairman shall declare the General Shareholders’ Meeting to be validly convened.

**Article 24. - Deliberations and voting**

1. The Chairman of the General Shareholders’ Meeting shall: direct the meeting such that deliberations are carried out pursuant to the Agenda and shall resolve any questions that may arise in connection with the contents thereof; organize the interventions, grant the floor at the time he deems fit, where appropriate, to the shareholders who request it, with the power to take the floor away when he deems that a matter has been sufficiently debated, or that the progress of the meeting is being hindered, or that the matter in question is not included in the Agenda; indicate the time for voting on the resolutions and announce the results of the vote.

2. Proposed resolutions shall be voted in accordance with the voting calculation system established in the Regulations for the General Shareholders’ Meeting.
Article 25.- Casting of votes from a distance prior to the General Shareholders’ Meeting

1. Without prejudice to the provisions of Article 21, and therefore, independently of the possibility of attendance by telematic or electronic means, shareholders with the right to attend may cast their vote on the proposals relating to the items included in the Agenda for any General Shareholders' Meeting by postal delivery or correspondence or by electronic communication. Votes cast by telephone in accordance with the procedure, where applicable, set forth in the call notice shall be deemed to have been cast by electronic communication.

2. Votes by postal delivery or correspondence shall be cast by sending or delivering to the Company a writing in which the vote is recorded, accompanied by the duly signed attendance card issued by the entity in charge of the book-entry registry.

3. Votes by electronic communication with the Company shall be cast by using an electronic signature or such other means as the Board of Directors deems adequate to guarantee the authenticity, and, if cast through electronic means, accompanied by an electronic copy of the duly completed attendance and voting card.

4. In order to be deemed valid, votes cast by any of the means of long-distance communication mentioned in the preceding paragraphs must be received by the Company before midnight on the third day prior to the date set for the holding of the General Shareholders’ Meeting upon first call. In the resolution providing for the call to the General Shareholders’ Meeting in question, the Board of Directors may reduce such advance period and publish any such reduction in the same manner as the notice of the call to meeting.

5. The Board of Directors may elaborate on and supplement the distance voting and proxy-granting provisions set forth in these By-Laws and in the
Regulations for the General Shareholders' Meeting of the Company by establishing such instructions, means, rules and procedures as it deems advisable in order to organize the casting of votes and the grant of proxies by means of long-distance communication.

In any event, the Board of Directors shall adopt the measures needed to avoid possible deception and to ensure that the person casting a vote or granting a proxy by postal or electronic communication has the right to do so pursuant to the provisions of Article 19 of the By-Laws. The implementing rules adopted by the Board of Directors under the provisions of this sub-section shall be published on the Company's corporate website.

6. Shareholders who cast their vote from a distance pursuant to this article and to the provisions made by the Board of Directors by way of further development thereof shall be deemed present for purposes of determining the establishment of a quorum for the General Shareholders' Meeting in question. Therefore, proxies granted prior to the casting of such vote shall be deemed revoked, and those granted thereafter shall be deemed not to have been given.

7. The vote cast by means of long-distance communication shall be rendered void by the attendance at the meeting of the shareholder casting the vote or by the disposition of shares of which the Company has notice.

**Article 26.- Adoption of resolutions**

1. The shareholders acting at a General Shareholders' Meeting shall adopt their resolutions with the majorities of votes required by law.

2. Each share whose holder is present at the General Shareholders' Meeting in person or by proxy shall give the right to one vote, except in the case of non-voting shares, subject to the provisions of law.
3. Notwithstanding the provisions of the preceding section, no shareholder may cast a number of votes in excess of 10% of the total voting capital existing at any time, regardless of the number of shares held by such shareholder, all fully subject to the mandatory provisions of the law.

In determining the maximum number of votes that each shareholder may cast, only the shares held by the shareholder in question shall be computed, and those held by other shareholders that have granted their proxy to the first-mentioned shareholder shall not be computed, without prejudice to the application of the aforementioned limit of 10% to each of the shareholders that have granted a proxy.

The limitation established in this section shall also apply to the maximum number of votes that may be collectively or individually cast by two or more shareholder companies belonging to the same group of entities, as well as to the maximum number of votes that may be cast by an individual or corporate shareholder and the entity or entities that are shareholders themselves and which are directly or indirectly controlled by such individual or corporate shareholder.

For purposes of the provisions contained in the preceding paragraph, the provisions of Section 18 of the Companies Act shall apply in order to decide whether or not a group of entities exists and to examine the situations of control indicated above.

Notwithstanding the limitation established in this section, all shares present at the General Shareholders’ Meeting shall be computed for purposes of determining the existence of a quorum in constituting it, provided, however, that the 10% limit on the number of votes shall apply to such shares at the time of voting.
Article 27.- Minutes of the General Shareholders’ Meeting and documentation of resolutions

1. The deliberations and resolutions adopted by the shareholders at the General Shareholders' Meeting shall be recorded in Minutes containing at least all of the information required by law. Once the Minutes have been approved in the manner provided by law, they shall be written down or transcribed in the Minute Book and shall be signed by the Secretary, with the approval of the Chairman, or by the persons who have acted as such at the General Shareholders’ Meeting.

2. The Minutes approved by any of the means provided for by law shall have binding force starting on the date of approval thereof.

3. The total or partial certificates that may be required as evidence of the resolutions approved at the General Shareholders' Meeting shall be issued and signed by the Secretary of the Board of Directors or, as the case may be, by one of its Deputy Secretaries, with the approval of the Chairman of the Board of Directors or, as the case may be, by one of its Vice Chairmen.

4.
