Accrued Interest Payment

In respect of any Instruments accepted for purchase, the Issuer will also pay an amount equal to any accrued and unpaid interest on the relevant Instruments from, and including, the relevant interest payment date for the Instruments immediately preceding the Settlement Date up to, but excluding, the Settlement Date, which is expected to be 22 May 2020.

Maximum Acceptance Amount and Series Acceptance Amounts

The Issuer proposes to accept Instruments for purchase up to a maximum aggregate principal amount equal to the aggregate principal amount of the New Instruments (the "**Maximum Acceptance Amount**") on the terms and conditions contained in the Tender Offer Memorandum. The Issuer reserves the right, in its sole and absolute discretion and for any reason, to significantly increase or decrease the Maximum Acceptance Amount and/or to accept significantly less than or more than the Maximum Acceptance Amount for purchase pursuant to the Offers.

The Issuer will determine, in its sole discretion, the aggregate principal amount of Instruments of each Series which the Issuer will accept for purchase pursuant to the relevant Offer (each a "**Series Acceptance Amount**") and reserves the right to accept significantly more or less (or none) of the Instruments of one Series as compared to the other Series of Instruments.
