PROXY-GRANTING AND VOTING BY MEANS OF LONG-DISTANCE COMMUNICATION

Pursuant to Articles 17 and 20 *bis* of the By-Laws and 13 and 20 *bis* of the Regulations for the General Shareholders' Meeting, the Board of Directors has resolved to provide for the exercise of proxy representation and voting rights by means of long-distance communication, as follows:

1.- Proxy-granting or voting prior to the General Shareholders' Meeting by electronic means.

Shareholders wishing to grant a proxy or to cast their vote by electronic means prior to the holding of the Meeting must access the "2013 General Shareholders' Meeting/Proxy-granting and Voting by Electronic Means" section available on the Company's website (www.telefonica.com) (the "Website") and follow the instructions to grant a proxy or to exercise their right to vote prior to the Shareholders' Meeting that are specified.

To such end, shareholders must provide evidence of their identity on the software provided for such purpose on the above-mentioned Website by

means of: (i) the Electronic National Identity Document, or (ii) a recognized, valid and current electronic user certificate, as provided in Electronic Signature Act 59/2003, of December 19th, issued by the Spanish Public Certification Body (CERES), a division of the Fábrica Nacional de Moneda y Timbre (Royal Mint). The Company reserves the right to request such additional means of identification from shareholders as it deems necessary to verify their status as shareholders and to guarantee the authenticity of the vote and of the proxy-granting.

2.- Proxy-granting or voting by postal correspondence.

Shareholders wishing to grant a proxy or to cast their vote by postal correspondence must complete and sign the distance proxy-granting or voting card prepared by the Company and send it to the attention of the Office of the Shareholder (Distrito Telefónica, Ronda de la Comunicación s/n, Edificio Central, planta 2, 28050 Madrid), attaching the original of the document in the name of the shareholder evidencing ownership of the shares, issued for such purpose by the Depository, along with a photocopy of the shareholder's national identity document or passport.

Shareholders that are legal entities must send to the Company a photocopy of a power of attorney with sufficient powers, evidencing the authority of the individual signing the distance proxy-granting or voting card in the name of the legal entity.

If a proxy is granted to a person other than one of the members of the Board of Directors, a copy of the proxy-granting card must be sent to the proxy-holder for delivery at the access to the premises on the day of the General Shareholders' Meeting.

Should they wish to revoke the proxy granted, shareholders must contact the Company, at the Office of the Shareholder (phone no.: 900 111 004) before midnight on May 27, 2013.

Shareholders may obtain the Company's distance proxy-granting or voting card by downloading it from and printing it on the Website, by picking it up at the registered office of the Company or by requesting at the Office of the Shareholder (900 111 004) that it be sent to them without charge.

Shareholders may also grant a proxy or cast a vote using the cards issued by depositaries. In this case, shareholders must complete the sections relating to proxy-granting or voting from a distance, if applicable, on the card issued by the depository and send it to the Company by postal correspondence to the attention of the Office of the Shareholder (Distrito Telefónica, Ronda de la Comunicación s/n, Edificio Central, planta 2, 28050 Madrid).

3.- Provisions common to the exercise of proxy-granting or voting rights by means of long-distance communication.

a) Deadline for receipt by the Company and evidence of the status as shareholder.

In order to be valid, both the proxies granted and the votes cast prior to the General Shareholders' Meeting by means of long-distance communication (be it by electronic means or by postal correspondence) must be received by the Company before midnight on May 27, 2013.

The distance proxy or vote shall only be deemed to be valid if the status as shareholder is confirmed, through verification of the fact that the ownership information and the number of shares provided by each person granting a proxy or voting by means of long-distance communication are the same as the data provided by IBERCLEAR. In the event of a discrepancy between the number of shares reported by the shareholder and the number set forth in the IBERCLEAR file, the number of shares provided by IBERCLEAR shall prevail for purposes of quorum and voting.

In the event of co-ownership of shares, the person granting the proxy or the vote from a distance will be deemed to have been appointed to exercise the shareholder rights, if such person is one of the co-owners.

b) Rules of priority between proxy-granting and voting by means of long-distance communication and attendance at the General Shareholders' Meeting.

Attendance at the General Shareholders' Meeting by a shareholder who has previously granted a proxy or voted by means of long-distance communication, (whether by electronic means or by postal correspondence), shall render the proxy or the vote null and void.

In the event that a shareholder grants several proxies or casts several votes (whether by electronic means or by postal correspondence), the action (proxy-granting or voting) taken last shall prevail. If the time when the shareholder granted any of the proxies or cast any of the votes is uncertain, the vote (regardless of the means used to cast it) shall prevail over the proxy granting. If the shareholder cast several votes in different directions, by electronic or postal means, the vote cast last shall prevail.

c) Suspension of electronic systems / Interconnection failures.

The Company reserves the right to modify, suspend, cancel or limit electronic voting or proxy-granting mechanisms whenever technical or security reasons require it or make it advisable. If any of such instances occurs, it will be announced on the Company's website. All of the foregoing is without prejudice to the validity of the votes already cast and the proxies already granted and to

shareholders' attendance and proxy representation rights.

The Company shall not be liable for any damage that may be sustained by shareholders as a result of failures, overloads, downtime, failed connections or any other contingency of the same or like nature beyond the Company's control that prevents the use of electronic voting or proxy-granting mechanisms. Accordingly, such circumstances shall not constitute an unlawful deprivation of shareholders' rights.
