***Proposal regarding Item III on the Agenda: Authorization to acquire the Company's own shares, either directly or through Group Companies.***

- A) To authorize, pursuant to the provisions of Sections 75 et. seq. and the first additional provision, paragraph 2, of the current Spanish Companies Act [*Ley de Sociedades Anónimas*], the derivative acquisition, at any time and as many times as deemed appropriate, of Telefónica, S.A.'s own fully paid-in shares -either directly or through any subsidiaries it controls- by purchase or by any other legal means of consideration.

The minimum acquisition price or consideration shall be equal to the par value of the shares acquired, and the maximum price or consideration shall be equal to the listing price of the shares acquired on an official secondary market at the time of acquisition.

Such authorization is granted for a period of 18 months from the date of this Meeting and is made expressly subject to the limitation that at no time may the nominal value of the Company's shares acquired through the use of this authorization, added to those already possessed by Telefónica, S.A. and any of its controlled subsidiaries, exceed 5 percent of the share capital thereof at the time of acquisition, and the limitations established by the regulatory authorities in the markets where shares of Telefónica, S.A. are admitted for listing must also be respected.

It is expressly stated for the record that the authorization to acquire the Company's own shares may be used in whole or in part for the acquisition of shares of Telefónica, S.A. that it must deliver or transfer to administrators or employees of the Company or companies within its Group, either directly or as a result of the exercise by them of options, all within the framework of duly approved compensation systems linked to the listing price of the Company's shares.

- B) To authorize the Board of Directors, upon the broadest terms possible, to exercise the authorization covered by this resolution and to carry out the other provisions hereof, and such powers may be delegated by the Board of Directors to the Executive Commission, the Executive Chairman of the Board of Directors, the Chief Operating Officer, or any other person that the Board of Directors expressly authorizes for such purpose.

- C) To rescind the unutilized portion of the authorization granted under item III of the Agenda of the Company's General Shareholders' Meeting of May 10th, 2007.

***Proposal regarding Item IV on the Agenda: Reduction of the share capital through the cancellation of shares of treasury stock, excluding creditors' right to object, and amendment of the article of the By-Laws relating to the share capital.***

- A) To reduce the share capital of the Company by the amount of 68,500,000 euros, by means of the cancellation of 68,500,000 shares of the Company's treasury stock, which were previously acquired in reliance on the authorization previously granted by the shareholders at the General Shareholders' Meeting, within the limits established in Sections 75 et seq. and in additional provision 1, paragraph 2, of the Spanish Companies Act. Accordingly, Article 5 of the By-Laws regarding the amount of the share capital is hereby amended and shall henceforth read as follows:

*"Article 5.- Share capital*

1. *The share capital is 4,704,996,485 euros, divided into 4,704,996,485 common shares of a single series, with a par value of one euro each, fully paid in.*
2. *The shareholders at the General Shareholders' Meeting may, complying with the requirements and within the limits legally established for such purpose, delegate to the Board of Directors the power to increase the share capital."*

The reduction of the share capital is made with a charge to discretionary reserves, cancelling the corresponding amount of the restricted reserve mentioned in Section 79.3 of the Spanish Companies Act, and funding a reserve due to capital reduction in the amount of 68,500,000 euros (an amount equal to the par value of the cancelled shares) which may only be used complying with the same requirements as those established for the reduction of the share capital, pursuant to the provisions of item 3 of Section 167 of the Spanish Companies Act. Accordingly, as provided therein, the creditors of the Company shall not have the right to object mentioned in Section 166 of the Spanish Companies Act in connection with the capital reduction resolved to be made.

The reduction does not involve a return of contributions, since the Company itself is the owner of the cancelled shares. The purpose of the reduction will thus be to cancel the shares of treasury stock.

It is stated for the record, in order to comply with the provisions of Section 289.1 of the Spanish Companies Act, that the consent of the Bondholders Syndicates [*Sindicatos de Obligacionistas*] for the outstanding issues of debentures and bonds is not required since the capital reduction resolved to be made does not reduce the original ratio between the sum of capital plus reserves and the amount of the debentures pending repayment.

- B) To authorize the Board of Directors, within one year from the date of adoption of this resolution, to determine the other matters that have not been expressly established in this resolution or that are a result hereof, and to adopt the resolutions, take the actions and execute the public or private documents that may be necessary or appropriate for the full implementation of this resolution including, without limitation, the publication of the legally required notices, the making of the appropriate applications and the giving of the appropriate notices required to delist the cancelled shares; such powers may be delegated by the Board of Directors to the Executive Commission, the Executive Chairman of the Board of Directors, the Chief Operating Officer, or to any other person expressly authorized by the Board of Directors for such purpose.
