A proxy may be granted by using the proxy-granting form printed on the attendance card or by any other means allowed by Law. The documents containing proxies for the General Shareholders' Meeting must set forth the instructions regarding the direction of the vote. Where no express instructions are given, it shall be understood that the proxy-holder must vote in favor of the proposed resolutions submitted by the Board of Directors regarding the matters on the Agenda, and against the resolution in question in relation to any matters that are not included in the Agenda and are thus unknown on the date that the proxy is granted but which may be submitted to a vote at the General Shareholders' Meeting.

Pursuant to Articles 20 and 25 of the By-Laws and 13 and 22 of the Regulations for the General Shareholders' Meeting and to the resolution adopted by the Board of Directors as permitted by the aforementioned provisions, the exercise of proxy representation and voting rights by means of long-distance communication shall be governed by the following provisions:

1.- Proxy-granting or voting prior to the General Shareholders' Meeting by electronic means.

Shareholders wishing to grant a proxy or to cast their vote by electronic means prior to the holding of the Meeting must access the "2015 General Shareholders' Meeting/Proxy-granting and Voting by Electronic Means" section available on the Company's corporate website (www.telefonica.com) (the "Website") and follow the instructions to grant a proxy or to exercise their right to vote prior to the General Shareholders' Meeting that are specified therein.

To such end, shareholders must provide evidence of their identity on the software provided for such purpose on the above-mentioned Website by means of: (i) the Electronic National Identity Document or (ii) a recognized, valid and current electronic user certificate, as provided in Electronic Signature Act 59/2003, of December 19, issued by the Spanish Public Certification Body (CERES), a division of the *Fábrica Nacional de Moneda y Timbre* (Spanish Royal Mint). The Company reserves the right to request such additional means of identification from shareholders as it deems necessary to verify their status as shareholders and to guarantee the authenticity of the vote and of the proxy-granting.

2.- Proxy-granting or voting prior to the General Shareholders' Meeting by postal correspondence.

Shareholders wishing to grant a proxy or to cast their vote by postal correspondence must complete and sign the distance proxy-granting or voting card prepared by the Company and send it to the attention of the Office of the Shareholder (Distrito Telefónica, Ronda de la Comunicación s/n, Edificio Central, planta 2, 28050 Madrid), attaching the original of the document in the name of the shareholder evidencing ownership of the shares, issued for such purpose by the Company or by the Depositary, along with a photocopy of the shareholder's national identity document or passport.

Shareholders that are legal entities must send to the Company a photocopy of a power of attorney with sufficient powers, evidencing the authority of

the individual signing the distance proxy-granting or voting card in the name of the legal entity.

If a proxy is granted to a person other than one of the members of the Board of Directors, a copy of the proxy-granting card must be sent to the proxy-holder for delivery at the access to the premises on the day of the General Shareholders' Meeting.

Should they wish to revoke the proxy granted, shareholders must contact the Company, at the Office of the Shareholder (phone no.: 900 111 004) before midnight on June 8, 2015.

Shareholders may obtain the Company's distance proxy-granting or voting card by downloading it from and printing it on the Website, by picking it up at the registered office of the Company or by requesting at the Office of the Shareholder (telephone 900 111 004 / mail accion.telefonica@telefonica.com) that it be sent to them without charge.

Shareholders may also grant a proxy or cast a vote using the cards issued by depositaries. In this case, shareholders must complete the sections relating to proxy-granting or voting from a distance, if applicable, on the card issued by the depositary and send it to the Company by postal correspondence to the attention of the Office of the Shareholder (Distrito Telefónica, Ronda de la Comunicación s/n, Edificio Central, planta 2, 28050 Madrid).

3.- Provisions common to the exercise of proxy-granting or voting rights by means of long-distance communication.

a) Deadline for receipt by the Company and evidence of the status as shareholder.

In order to be valid, both the proxies granted and the votes cast prior to the General Shareholders' Meeting by means of long-distance communication (be it by electronic means or by postal correspondence) must be received by the Company before midnight on June 8, 2015.

The distance proxy or vote shall only be deemed to be valid if the status as shareholder is confirmed, through verification of the fact that the ownership information and the number of shares provided by each person granting a proxy or voting by means of long-distance communication are the same as the data provided by IBERCLEAR. In the event of a discrepancy between the number of shares reported by the shareholder and the number set forth in the IBERCLEAR file, the number of shares provided by IBERCLEAR shall prevail for purposes of quorum and voting.

In the event of co-ownership of shares, the person granting the proxy or the vote from a distance will be deemed to have been appointed to exercise the shareholder rights, if such person is one of the co-owners.

b) Rules of priority between proxy-granting and voting by means of long-distance communication and attendance at the General Shareholders' Meeting.

Attendance at the General Shareholders' Meeting by a shareholder who has previously granted a proxy or voted by means of long-distance communication (whether by electronic means or by postal correspondence), shall render the proxy or the vote null and void.

In the event that a shareholder grants several proxies or casts several votes (whether by electronic means or by postal correspondence), the action (proxy-granting or voting) taken last shall prevail. If the time when the shareholder granted any of the proxies or cast any of the votes is uncertain, the vote (regardless of the means used to cast it) shall prevail over the proxy-granting. If the shareholder cast several votes in different directions, by electronic or postal means, the vote cast last shall prevail.

c) Suspension of electronic systems / Interconnection failures.

The Company reserves the right to modify, suspend, cancel or limit electronic voting or proxy-granting mechanisms whenever technical or security reasons require it or make it advisable. If any of such instances occurs, it will be announced on the Company's corporate website. All of the foregoing is without prejudice to the validity of the votes already cast and the proxies already granted and to shareholders' attendance and proxy representation rights.

The Company shall not be liable for any damage that may be sustained by shareholders as a result of failures, overloads, downtime, failed connections or any other contingency of the same or like nature beyond the Company's control that prevents the use of electronic voting or proxy-granting mechanisms. Accordingly, such circumstances shall not constitute an unlawful deprivation of shareholders' rights.

d) Other matters.

Both proxies granted and votes cast by means of long-distance communication shall be rendered void by the disposal of the shares that the Company becomes aware of.

The Forum is not a mechanism for online electronic conversation between the shareholders of Telefónica, S.A. and the voluntary associations they may create or a forum for electronic debate. The Forum is also not a channel for communication between Telefónica, S.A. and its shareholders and the associations they may create. The Forum is provided for the sole purpose of facilitating communications between Telefónica, S.A. shareholders and the voluntary associations they may create, on the occasion of the call to meeting and until the day the General Shareholders' Meeting is held.

Proposal regarding Item III on the Agenda: Approval of the management of the Board of Directors during fiscal year 2014.

To approve the corporate management of the Board of Directors of Telefónica, S.A. during fiscal year 2014.

* * *

Proposal regarding Item IV on the Agenda: Re-election of the Auditor for fiscal year 2015.

Pursuant to the proposal made by the Audit and Control Committee, the Board of Directors submits the following resolution for approval of the shareholders at the General Shareholders' Meeting:

To re-elect as Auditor of Telefónica, S.A. and its Consolidated Group of Companies for fiscal year 2015 the firm Ernst & Young, S.L., with registered office in Madrid, at Plaza Pablo Ruiz Picasso, 1 and Tax Identification Code (C.I.F.) B-78970506.

* * *

Proposal regarding Item V on the Agenda: Approval of the reduction in share capital by means of the cancellation of shares of the Company's own stock, excluding the right of creditors to object and amending article 6 of the By-Laws regarding share capital.

(A) To reduce the share capital of Telefónica, S.A. (the "**Company**") by the amount of 74,076.263 euros, by means of the cancellation of 74,076,263 shares of the Company held as treasury stock. Accordingly, article 6 of the By-Laws is hereby amended and shall henceforth read as follows:

"Article 6.- Share capital

- 1. The share capital is 4,864,341,251 euros, represented by 4,864,341,251 ordinary shares in a single series and with a nominal value of one euro each, which have been fully paid up.*
- 2. The shareholders acting at the General Shareholders' Meeting may, subject to the requirements and within the limits established by law for such purpose, delegate to the Board of Directors the power to increase the share capital."*

The reduction in share capital does not entail a return of contributions to the shareholders, since the Company itself is the owner of the cancelled shares, and is made with a charge to unrestricted reserves, by means of the funding of a reserve for cancelled share capital in an amount equal to the par value of the cancelled shares (i.e. in the amount of 74,076,263 euros), which may only be used in compliance with the same requirements as those established for the reduction of share capital, by application of the provisions of Section 335. c) of the Companies Act.

Accordingly, as laid down in such section, the creditors of the Company will not have the right to oppose the reduction mentioned in Section 334 of the Companies Act in connection with the approved reduction in share capital.

It is hereby stated for the record, in order to comply with the provisions of Section 411.1 of the Companies Act, that the consent of the bondholders' syndicate for the outstanding issues of debentures and bonds is not required, since the approved capital reduction does not reduce the original ratio between the sum of capital plus reserves and the amount of the debentures pending repayment.

B) To authorize the Board of Directors, within one year from the date of adoption of this resolution, and, in any case, before the implementation of the capital increase subject to the proposal contained under item VI of the Agenda, to determine the other matters that have not been expressly established in this resolution or that are a result thereof, and to adopt the resolutions, take the actions, and execute the public or private documents that may be necessary or appropriate for the full implementation of this resolution, including, without limitation, the publication of the legally required notices, the making of the appropriate applications and the giving of the appropriate notices required to delist the cancelled shares.

The Board of Directors is expressly authorized to in turn delegate to the Executive Commission or the Executive Chairman of the Board of Directors, the powers referred in this resolution, without prejudice to the powers that may be granted to any person for specific acts of execution.

* * *

Proposal regarding Item VI on the Agenda: Shareholder compensation by means of a scrip dividend. Approval of an increase in share capital by such amount as may be determined pursuant to the terms and conditions of the resolution, through the issuance of new ordinary shares having a par value of one euro each, with no share premium, of the same class and series as those that are currently outstanding, with a charge to reserves. Offer to the shareholders to purchase their free allotment rights at a guaranteed price. Express provision for the possibility of incomplete allocation. Application for admission to trading of the new shares on the Spanish and foreign Stock Exchanges on which the shares of Telefónica, S.A. are listed. Delegation of powers to the Board of Directors, with express powers of substitution.

1.- Capital increase with a charge to reserves

The share capital is increased by the amount resulting from multiplying (a) the nominal value of one euro per share of Telefónica, S.A. (the “**Company**”) by (b) the number of new shares of the Company to be determined using the formula indicated under item 2 below (the “**New Shares**”).

The capital increase is carried out by means of the issuance and flotation of the New Shares, which will be ordinary shares, having a nominal value of one euro each, of the same class and series as those that are currently outstanding, represented by book entries.

The capital increase is carried out in its entirety with a charge to one of the reserves provided for in Section 303.1 of the Companies Act (*Ley de Sociedades de Capital*).

The New Shares are issued at par, i.e., at their nominal value of one euro, without a share premium, and will be allotted without charge to those shareholders who exercise their free allotment rights.

Pursuant to the provisions of Section 311 of the Companies Act, provision is made for the possibility of an incomplete allotment of the Capital Increase, in the event that the Company, a company within its Group or a third party waives all or part of the free allotment rights to which they are entitled at the time of implementation of the increase. In the event of such incomplete allotment, the share capital will be increased by the corresponding amount

2.- New Shares to be issued

The number of New Shares will be the number that results from the application of the following formula, with the resulting number being rounded downwards to the next lower integer:

$$\text{NAN} = \text{NTAcc} / \text{Number of Rights}$$

where

“**NAN**” is the Number of New Shares to be issued;

“**NTAcc**” is the number of shares of the Company on the date on which the Board of Directors, or the Executive Commission by delegation therefrom, resolves to implement the capital increase; and

“**Number of Rights**” is the number of free allotment rights required for the allotment of one New Share, which number will result from the application of the following formula, with the result being rounded to the next higher integer:

$$\text{Number of Rights} = \text{NTAcc} / \text{Provisional number of shares}$$

where

$$\text{Provisional number of shares} = \text{Reference Amount} / \text{PreCot.}$$

For these purposes:

“**Reference Amount**” will be the reference market value of the capital increase, which will be equal to the sum of 1,702,519,437.85 euros multiplied by the factor $\text{PreCot}/(\text{PreCot}-0.35)$, with a maximum of 1,800,000,000.00 euros in all cases.

“**PreCot**” is the arithmetic mean of the average weighted listing prices of the Company’s Shares on Spain’s Electronic Trading System in the five trading sessions prior to the resolution of the Board of Directors, or the Executive Commission by delegation therefrom, to implement the capital increase, rounded up or down to the closest one-thousandth part of a euro and, in the case of half of one thousandth of a euro, rounded to the next higher one thousandth part of a euro. In any event, PreCot may not be less than the nominal value of the shares, such that if the result of such calculation is less, PreCot shall be equal to one euro.

3.- Free allotment rights

Each share of the Company will grant its holder one free allotment right.

The number of free allotment rights required to receive one New Share will be automatically determined according to the ratio existing between the number of New Shares and the number of shares of the Company (NTAcc). Specifically, the shareholders will be entitled to receive one New Share for as many free allotment rights, determined as provided in Section 2 above (Number of Rights), as are held by them.

In the event that (i) the number of free allotment rights required for the allotment of one share (Number of Rights) multiplied by the number of New Shares (NAN) results in a number that is lower than (ii) the number of outstanding shares (NTAcc.), the Company, or an entity within its Group, will waive a number of free allotment rights equal to the difference between both figures, for the sole purpose that the number of New Shares be a whole number and not a fraction.

The free allotment rights will be allotted to the shareholders who appear as being entitled thereto in the book-entry records of Sociedad de Gestión de los Sistemas de Registro, Compensación y Liquidación de Valores, S.A.U. (IBERCLEAR) on the relevant date, in accordance with applicable rules governing the clearing and settlement of securities.

The free allotment rights may be traded on the Spanish continuous market during such term as may be determined by the Board of Directors, or the Executive Commission by delegation therefrom, which term will not be less than fifteen calendar days. During the period for trading the free allotment rights, a sufficient number of free allotment rights may be acquired on the market in the proportion required to subscribe for New Shares.

4.- Irrevocable commitment to purchase the free allotment rights

The Company, or such company of its Group as may be determined, will assume an irrevocable commitment to purchase the free allotment rights at the price set forth below (the “**Purchase Undertaking**”).

The Purchase Undertaking will be in effect during such term, within the period for trading the rights, as is established by the Board of Directors or the Executive Commission by delegation therefrom. For such purpose the Company, or the corresponding company of its Group, is authorized to acquire such free allotment rights up to the maximum limit of the total number of rights issued, in all cases with due observance of any applicable legal restrictions.

The “**Purchase Price**” of each free allotment right under the Purchase Undertaking shall be the amount that results from the following formula, rounded up or down to the closest one thousandth part of a euro and, in the case of one-half of one thousandth of a euro, to the next higher one thousandth part of a euro:

$$\text{Purchase Price} = \text{PreCot} / (\text{Number of Rights} + 1)$$

The Company may acquire the free allotment rights pursuant to the Purchase Undertaking in whole or in part with a charge to one of the reserves provided for in Section 303.1 of the Companies Act.

5.- Balance sheet for the transaction and reserve to which the increase will be charged.

The balance sheet used as the basis for the transaction is the balance sheet for the fiscal year ended December 31, 2014, duly audited and approved by the shareholders at this General Shareholders’ Meeting.

As noted above, the capital increase is made in its entirety with a charge to one of the reserves provided for in Section 303.1 of the Companies Act. When implementing the increase, the Board of Directors, or the Executive Commission by delegation therefrom, will determine the reserve to be used and the amount thereof in accordance with the balance sheet used as the basis for the transaction.

6.- Representation of the New Shares

The New Shares will be represented by book entries, the book-entry registration of which is entrusted to Sociedad de Gestión de los Sistemas de Registro, Compensación y Liquidación de Valores, S.A.U. (IBERCLEAR) and its participating entities.

7.- Rights carried by the New Shares

Holders of the New Shares will have the same voting and dividend rights as the holders of the ordinary shares of the Company that are currently outstanding, from the date on which the capital increase is declared to be subscribed and paid in.

8.- New Shares on deposit

Once the period for trading the free allotment rights has ended, the New Shares that could not be allotted for reasons not attributable to the Company will be held on deposit for those who provide evidence that they are the lawful holders of the corresponding free allotment rights.

Upon the passage of three years from the end of the period for trading the free allotment rights, the New Shares that are still pending allotment may be sold in accordance with the provisions of Section 117 of the Companies Act, for the account and risk of the interested parties. The net proceeds from such sale will be deposited with the Bank of Spain (*Banco de España*) or with the Government Depository (*Caja General de Depósitos*) at the disposal of the interested parties.

9.- Application for admission to official trading

Application will be made for admission of the New Shares issued to trading on the Madrid, Barcelona, Bilbao and Valencia Stock Exchanges, through the Automated Quotation System (*Sistema de Interconexión Bursátil*) (Continuous Market), with the taking of such steps and actions as are required or appropriate and the submission of the required documents to the appropriate bodies of the foreign Stock Exchanges on which the shares of the Company are listed (currently London and Buenos Aires and, through American Depositary Shares (ADSs), New York and Lima) in order for the New Shares to be admitted to trading, with an express statement for the record of the Company's submission to the rules that may now or hereafter exist with respect to Stock Exchange matters, and especially regarding trading, continued listing on and delisting from official markets.

It is expressly stated for the record, for appropriate legal purposes, that in the event of a subsequent request for delisting of the Company's shares, such delisting will be carried out with such formalities as apply thereto and, in such event, the interests of the shareholders opposing or not voting on the resolution to delist will be safeguarded, in compliance with the requirements set out in applicable laws and regulations.

10.- Implementation of the increase

Within a period of one year from the date of this resolution, the Board of Directors, may resolve, if it so deems appropriate, to implement the increase and set the terms and conditions thereof as to all matters not provided for in this resolution.

If the Board of Directors does not deem it advisable to implement the capital increase, it may decide not to implement it, in which case it must report such decision to the shareholders at the next General Shareholders' Meeting held. The capital increase to which this resolution refers will be deprived of any and all effect in the event that the Board of Directors does not exercise the powers delegated thereto within the aforementioned period of one year

Once the period for trading the free allotment rights has ended:

(a) The New Shares will be allotted to the holders of the free allotment rights, according to the records maintained by IBERCLEAR and its participating entities, in the proportion resulting from Section 3 above.

(b) The Board of Directors or the Executive Commission by delegation therefrom, will declare the period for trading the free allotment rights to have ended and will formalize the appropriation of an amount of reserves equal to the amount of the capital increase, with which appropriation such Capital Increase will thus be fully paid in.

Likewise, once the period for trading the free allotment rights has ended, the Board of Directors, will adopt the resolutions required to amend the By-Laws in order to reflect the new amount of share capital resulting from the increase, and to apply for admission of the New Shares to listing on the Spanish and foreign Stock Exchanges on which the shares of the Company are listed.

11.- Delegation of powers for implementation of the increase

Pursuant to the provisions of Section 297.1.a) of the Companies Act, the power to set the terms and conditions of the capital increase as to all matters not provided for in this resolution is delegated to the Board of Directors.

In particular, and by way of example only, the following powers are delegated to the Board of Directors, with express power of substitution:

1.- To set the date on which the Capital Increase is to be carried out, which shall be within a period of one year from approval thereof, and to determine the reserves, from among those listed in Section 303.1 of the Companies Act, with a charge to which such increase will be implemented.

2.- To set the reference date and time for allotment of the free allotment rights and the duration of the period for trading the free allotment rights, which shall not be less than fifteen calendar days.

3.- To determine the exact amount of the capital increase, the number of New Shares and the free allotment rights needed for the allotment of New Shares, applying the rules established in this resolution for such purpose.

4.- To establish the terms and conditions of the Purchase Undertaking.

5.- To amend article 6 of the By-Laws regarding the share capital to bring it into line with the result of the capital increase.

6.- To waive the free allotment rights held by the Company or the respective company of its Group at the end of the period for trading such rights as a result of the Purchase Undertaking and, thus, the New Shares corresponding to such rights.

7.- To waive free allotment rights, if appropriate, for the sole purpose of facilitating the number of New Shares being a whole number and not a fraction.

8.- To declare the capital increase to be closed and implemented.

9.- To take all steps required for the New Shares resulting from the capital increase to be included in the book-entry records of IBERCLEAR and admitted to listing on the Spanish and foreign Stock Exchanges on which the Company's shares are listed, in accordance with the procedures established at each of such Stock Exchanges.

10.- To take all such actions as are necessary or appropriate to implement and formalize the capital increase with any public or private entities or agencies, whether domestic or foreign, including acts for purposes of representation or supplementation or to cure defects or omissions that might prevent or hinder the full effectiveness of the foregoing resolutions.

The Board of Directors is expressly authorized to in turn delegate to the Executive Commission or the Executive Chairman of the Board of Directors, the powers referred in this resolution, without prejudice to the powers that may be granted to any person for specific acts of execution.

In this instance, the General Shareholders' Meeting shall be called to be held within the statutory period. - c) To amend Article 8 of the Regulations for the General Shareholders' Meeting, which shall hereafter read as follows:

If the Director is a legal person, the information shall include details of the individual who will be appointed for permanent discharge of the duties inherent in the position.

g) The means to grant a proxy for the General Shareholders' Meeting and to cast a distance vote, including the procedure to obtain attendance cards or a certificate issued by the entities legally authorized for such purpose.

2. Furthermore, from the date of publication of the notice of the call to the General Shareholders' Meeting, and in order to facilitate shareholders' attendance and participation therein, the Company shall include in its corporate website, to the extent available and in addition to the documents and information required by the law, all materials that the Company deems advisable for such purposes and in particular, but merely for illustrative purposes, the following:

b) Any other matters of interest for purposes of following the proceedings at the Meeting, such as whether simultaneous interpretation services will be provided, the possibility that the General Shareholders' Meeting be followed by audio-visual means, or information in other languages.

In addition, when there is a supplement to the call to meeting or proposed resolutions on matters already included or which must be included in the agenda, the Company shall, from the date of publication thereof, also publish, in the same manner and on its corporate website, the text of the proposals to which such supplement refers and which has been provided to the Company.

This information may be subject to changes at any time, in which case any appropriate amendments or clarifications shall be published on the Company's corporate website.

3. The Company shall deliver the information and documentation referred to in sub-section 1 and in paragraph a) of sub-section 2 of this article to the National Securities Market Commission and other Market Supervisory Authorities as may be appropriate; it shall also

provide such information and documentation to the depository or depositories of the programs through which the Company is listed on certain foreign markets.

- e) To amend Article 10 of the Regulations for the General Shareholders' Meeting, which shall hereafter read as follows:

“Article 10. The shareholders’ right to receive information

1. From the publication of the notice of the call to a General Shareholders’ Meeting and during the period required by law, any shareholder may submit a written request for such information or clarifications as it deems are required, or ask written questions it deems are pertinent, regarding the matters included in the agenda for the notice of call, or regarding information accessible to the public that the Company has provided to the National Securities Market Commission since the holding of the immediately prior General Shareholders’ Meeting, or regarding the auditor’s report.

The Board of Directors shall be required to provide in writing, until the day when the General Shareholders’ Meeting is held, the requested information or clarifications, as well as to respond in writing to the questions asked. The answers to the questions and to the requests for information shall be channeled through the Secretary of the Board of Directors and provided by any member thereof or by any person expressly authorized by the Board of Directors to that end.

2. During the course of the General Shareholders’ Meeting, the shareholders of the Company may verbally request such information or clarifications as they deem appropriate regarding the matters contained in the agenda, or regarding the information accessible to the public that the Company has provided to the National Securities Market Commission since the holding of the last General Shareholders’ Meeting, or regarding the auditor’s report. In the event that it is not possible to satisfy the shareholder’s right at that time, the Board of Directors shall provide such information in writing within seven days of the close of the General Shareholders’ Meeting.

3. The Board of Directors shall have the duty to provide the information requested in reliance upon the two preceding paragraphs, in the manner and within the time periods established by the law, except in those cases in which (i) such information is unnecessary for the protection of shareholder rights, there are objective reasons to believe that it might be used for ultra vires purposes, or publication thereof may prejudice the Company or related companies; (ii) the request for information or clarifications does not refer to matters included in the agenda or, in the case of sub-section 1 above, to information accessible to the public that has been provided by the Company to the National Securities Market Commission since the holding of the immediately prior General Shareholders’ Meeting; (iii) it

is so established in legal or regulatory provisions. The exception contemplated in section (i) above shall not apply when the information has been requested by shareholders representing at least one-fourth of the share capital.

4. If the information requested by the shareholders has been clearly, expressly and directly made available to all shareholders in question & answer format on the Company's corporate website, the Board of Directors' answer may limit its response to a reference to the information provided in such format.

5. Valid requests for information or clarifications submitted or questions asked in writing by the shareholders, as well as the answers provided in writing by the Directors shall be posted on the Company's website.

6. Answers to shareholders who attend the General Shareholders' Meeting from a distance by means of data transmission and simultaneously and who exercise their right to receive information through this procedure shall be provided, if applicable, in writing, within seven days following the Meeting."

- f) To amend Article 12 of the Regulations for the General Shareholders' Meeting, which shall hereafter read as follows:

"Article 12. Right to attend.

1. The right to attend a General Shareholders' Meeting shall accrue to the holders of at least 300 shares, provided that such shares are registered in their name in the corresponding book-entry registry five days in advance of the date on which the General Shareholders' Meeting is to be held, and provided also that they present evidence thereof with the appropriate attendance card or share certificate issued by any of the entities participating in the institution that manages such book-entry registry, or directly by the Company itself, or in any other manner permitted under law. Such card or certificate may be used by the shareholders as the document whereby to grant a proxy for the General Shareholders' Meeting in question.

2. Shareholders that hold a lower number of shares may grant a proxy in respect thereof to a shareholder having the right to attend, as well as group together with other shareholders in the same situation until reaching the required number of shares, following which a proxy must be granted to one of such shareholders. The grouping must be carried out specifically for each General Shareholders' Meeting and must be recorded in writing.

3. The Directors must attend the General Shareholders' Meeting, save for a duly justified reason preventing them from doing so. The non-attendance

of any of them will not affect the valid constitution of the General Shareholders' Meeting.

4. In addition, the General Shareholders' Meeting may be attended by such executives, technicians, experts and other persons who may, in the opinion of the Chairman of the General Shareholders' Meeting, have a relationship with the Company. The Chairman may also authorize the attendance of such persons as he deems appropriate, including the media, analysts, etc., although the General Shareholders' Meeting may revoke such authorization."

- g) To amend Article 13 of the Regulations for the General Shareholders' Meeting, which shall hereafter read as follows:

"Article 13. Right of representation

1. Every shareholder having the right to attend the General Shareholders' Meeting may be represented thereat by another person, even if not a shareholder, provided that the requirements and formalities imposed by the law are met. The proxy must be granted specifically for each General Shareholders' Meeting, either by using the proxy form printed on the attendance card or in any other manner permitted by the law, without prejudice to the provisions of the Companies Act (Ley de Sociedades de Capital) regarding cases of proxies granted to family relatives and general proxies.

The documents setting forth the proxies for the General Shareholders' Meeting shall contain instructions regarding the direction of the vote. Unless otherwise expressly indicated by the shareholder granting the proxy, it shall be understood that the shareholder gives specific instructions to vote in favor of the proposed resolutions put forward by the Board of Directors regarding the matters on the agenda.

If there are no voting instructions because the shareholders acting at the General Shareholders' Meeting are to decide matters that are not included in the agenda and are thus unknown on the date that the proxy is granted but which may be submitted to a vote at the General Shareholders' Meeting, the proxy-holder shall vote in such direction as he deems most appropriate, taking into account the interest of the Company and that of the shareholder granting the proxy. The same rule shall apply when the relevant proposal or proposals submitted to the shareholders at the General Shareholders' Meeting have not been made by the Board of Directors.

If the document setting forth the proxy does not state the specific person or persons to whom the shareholder grants the proxy, such

proxy shall be deemed granted in favor of any of the following: the Chairman of the Board of Directors of the Company, or the person that stands in for him as Chairman of the General Shareholders' Meeting, or such person as is appointed by the Board of Directors, with notice of such appointment being given in advance in the notice of the call to meeting. If the Chairman of the Board of Directors of the Company, or the person acting in his stead, or the person appointed by the Board of Directors, as applicable, is affected by any of the conflicts of interest contemplated in the law and the document setting forth the proxy does not contain any specific instructions, the proxy shall be deemed granted to the Secretary for the General Shareholders' Meeting.

A proxy is always revocable. Attendance at the General Shareholders' Meeting by the shareholder granting the proxy, whether in person or through distance voting, entails the revocation of any proxy granted, whatever the date thereof. A proxy shall likewise be rendered void as a result of the disposition of shares of which the Company has notice.

2. Individual shareholders who do not have full legal capacity and corporate shareholders shall be represented by those persons who act as representatives thereof pursuant to law, with evidence of such representative capacity being duly provided.

3. Both in cases of voluntary representation as well as those of legal representation, no person may have more than one representative at the General Shareholders' Meeting. By way of exception, institutions that are duly registered as shareholders according to the book-entry share register but that act for the account of several persons may, without limitation, delegate the right to vote to each of the indirect holders or to third parties designated by such indirect holders. In addition, such institutions may in all cases split their vote and exercise the right to vote in a different direction in compliance with differing voting instructions that they have received.

4. The Chairman of the General Shareholders' Meeting or, by delegation of powers, the Secretary of the General Shareholders' Meeting shall resolve all doubts regarding the validity and effectiveness of the documents giving rise to the right of any shareholder to attend the General Shareholders' Meeting, whether individually or by grouping their shares with other shareholders, as well as any proxy granted to any other person, endeavoring to deem only those documents that lack the minimum essential requirements to be invalid or ineffective, provided that such defects have not been remedied.

5. When a proxy is granted by means of long-distance communication, it shall only be deemed valid if it is granted by postal

delivery or correspondence or by electronic communication made in accordance with the provisions of this section.

Proxies by postal delivery or correspondence shall be granted by sending or delivering to the Company the duly signed attendance and proxy-granting card or other written instrument that, in the opinion of the Board of Directors expressed in a resolution adopted for such purpose, allows for due verification of the identity of the shareholder granting the proxy and that of the proxy-holder designated therein.

Proxies by electronic communication to the Company shall be granted under an electronic signature or by such other manner as the Board of Directors may deem appropriate to ensure the authenticity and identification of the shareholder that exercises his right, attaching thereto a copy in electronic format of the attendance and proxy-granting card and detailing in the communication the proxy granted and the identity of the shareholder granting the proxy.

In order to be valid, a proxy granted by either of the aforementioned means of long-distance communication must be received by the Company before midnight on the third day prior to the date set for the holding of the General Shareholders' Meeting upon first call. In the resolution for the call of the General Shareholders' Meeting in question, the Board of Directors may reduce this required deadline, disclosing it in the same manner as the call notice. The Board of Directors may also implement the above provisions relating to proxies granted by long-distance means of communication in accordance with the provisions of Article 25.5 of the By-Laws and Article 22.7 of these Regulations.

6. A proxy may include items that, even if not contained in the agenda, may be dealt with by the shareholders at the General Shareholders' Meeting because it is so permitted by law.

7. The Board of Directors may implement the above provisions relating to the grant of proxies through long-distance means of communication, in accordance with the provisions of Article 22.7 below."

- h) To amend Article 23 of the Regulations for the General Shareholders' Meeting, which shall hereafter read as follows:

"Article 23. Voting on the proposed resolutions

1. Once shareholders' presentations, if any, have concluded and answers have been provided as set forth in these Regulations, the corresponding proposed resolutions shall be put to the vote.

Each of the proposed resolutions shall be voted by following the agenda included in the notice of the call to meeting, and if proposals

have been made regarding matters which the shareholders may decide without such matters being included in the agenda, they shall be submitted to a vote after a vote is taken on the proposals included in the agenda, unless the Chairman of the General Shareholders' Meeting decides otherwise.

2. After the Secretary for the General Shareholders' Meeting has read the full text or a summary of the proposed resolution corresponding to an item on the agenda, which reading may be dispensed with when the text of such proposal has been distributed to the shareholders at the beginning of the General Shareholders' Meeting, a vote shall first be taken on the resolutions proposed in each case by the Board of Directors, and then, if appropriate, the proposals made by other parties shall be submitted to a vote, following the order established by the Chairman of the General Shareholders' Meeting for that purpose.

When a single item on the Agenda includes different matters, such matters shall be separately submitted to a vote. In particular, a separate vote shall be taken on the appointment, ratification, re-election or removal of each Director and, in the event of amendments to the By-Laws or these Regulations, on each article or group of articles that are materially independent. In exceptional cases, related proposals, which are formulated as an indivisible unit, shall be voted as a whole, such as those relating to the approval of the revised text of the By-Laws or of the Regulations for the General Shareholders' Meeting.

In all cases, when a proposed resolution is approved, all other proposals on the same matter that are incompatible therewith shall automatically be deemed withdrawn and shall therefore not be submitted to a vote, which shall be stated by the Chairman of the General Shareholders' Meeting, or by the Secretary for the General Shareholders' Meeting, acting by delegation of powers.

3. The following voting calculation system shall be used for purposes of voting on the proposed resolutions:

a) In the case of voting on proposed resolutions relating to matters on the agenda, votes in favor of the proposal submitted to a vote shall be deemed to be those corresponding to all shares present or represented at the Meeting, according to the attendance roll, less the votes corresponding to shares whose holders or representatives inform the Presiding Committee of the General Shareholders' Meeting, or to the Notary, if appropriate, by written communication or personal statement, that they vote against, in blank or abstain.

b) In the case of voting on proposed resolutions relating to matters that are not included in the agenda, votes against the proposal submitted to a vote shall be deemed to be those corresponding to all

shares present or represented at the Meeting, according to the attendance roll, less the votes corresponding to shares whose holders or representatives inform the Presiding Committee of the General Shareholders' Meeting, or to the Notary, if appropriate, by written communication or personal statement, that they vote in favor, in blank or abstain.

c) For purposes of the provisions of paragraphs a) and b) above, for each of the proposed resolutions submitted to a vote, it shall be deemed that shares present and represented at the meeting are all those recorded on the attendance roll, less the shares whose holders may not, pursuant to the law and depending upon the proposed resolution that is put to the vote, exercise the voting rights attaching to their shares.

Regardless of the system used to calculate the votes, verification by the Presiding Committee of the Meeting – or, exceptionally, in the event that such Presiding Committee of the General Shareholders' Meeting has not been formed, by the Secretary for the General Shareholders' Meeting – of the existence of a number of favorable votes sufficient to attain the majority required in each case, will allow the Chairman of the General Shareholders' Meeting to declare the relevant proposed resolution to have been approved.”

- i) To amend Article 24 of the Regulations for the General Shareholders' Meeting, which shall hereafter read as follows:

“Article 24. Adoption of resolutions and announcement of voting results

1.Resolutions shall be adopted by simple majority, i.e., proposed resolutions shall be approved when the number of votes in favor of each proposal is greater than the number of votes against it (whatever the number of blank votes and abstentions), without prejudice to the qualified majorities established in the law and in the By-Laws or to the limitation upon the maximum number of votes that may be cast by each shareholder as provided in Article 26 of the By-Laws.

2.Once the proposals have been voted as provided in these Regulations, the Chairman of the General Shareholders' Meeting shall announce, either personally or through the Secretary for the General Shareholders' Meeting, the voting results, stating whether each of the proposals has been approved or rejected.”

And to include a new article 23 bis (*Conflicts of interest at the General Shareholders' Meeting*) in the Regulations for the General Shareholders' Meeting, which shall read as follows:

“Article 23 bis. Conflicts of interest at the General Shareholders’ Meeting.

1. Shareholders may not exercise their right to vote at the General Shareholders’ Meeting, whether personally or through a representative, in connection with the approval of a resolution designed to:

- a. release them from an obligation or give them a right;
- b. provide them with any kind of financial assistance, including the provision of guarantees in their favor; or
- c. release them, if they are Directors, from the obligations arising from the duty of loyalty.

2. If a shareholder grants a proxy, the representative shall, prior to being appointed, inform the shareholder in detail regarding whether a conflict of interest exists. If the conflict occurs after the appointment and the shareholder granting the proxy has not been apprised of the possible existence thereof, the representative shall immediately inform the shareholder of such conflict. In both cases, in the event that after the conflict has been disclosed, the representative has not received specific voting instructions in connection with each of the matters on which the representative is to vote on behalf of the shareholder, the representative shall abstain from casting a vote.”

Proposal regarding Item IX on the Agenda: Delegation to the Board of Directors, with express powers of substitution, for a period of five years, of the power to increase the share capital pursuant to the provisions of Section 297.1.b) of the Companies Act, and delegation of the power to exclude the preemptive right of the shareholders as provided in Section 506 of the Companies Act.

To delegate to the Board of Directors, as broadly as required by Law, pursuant to the provisions of Section 297.1.b) of the Companies Act, the power to increase the share capital on one or more occasions and at any time, within a period of five years from the date of adoption of this resolution, by the maximum nominal amount of 2,469,208,757 euros, equal to one half of the share capital of Telefónica, S.A. (the “**Company**”) on the date of adoption of this resolution.

Capital increases under this delegation shall be carried out by means of the issuance and flotation of new shares -with or without a share premium- the consideration for which shall be monetary contributions.

In connection with each increase, it shall fall upon the Board of Directors to decide whether the new shares to be issued are to be ordinary, preferred or any other type of shares permitted by law. The Board of Directors may also set the terms and conditions of the capital increases as to all matters not provided for in this resolution and the characteristics of the shares, with express provision for the possibility of incomplete subscription, and may freely offer the new shares not subscribed within the period or periods for the exercise of preemptive rights. The Board of Directors may also provide that, in the event of incomplete subscription, the capital shall only be increased by the amount of the subscriptions made, and may amend the article of the By-Laws regarding the share capital and number of shares.

Furthermore, in connection with the capital increases implemented in reliance on this delegation, the power is delegated to the Board of Directors to exclude preemptive rights in whole or in part upon the terms of Section 506 of the Companies Act. However, the power to exclude preemptive rights is limited to 20% of the Company’s share capital on the date of adoption of this resolution.

The Company shall, where appropriate, make application for admission to trading on any secondary market, whether official or unofficial, organized or not, and domestic or foreign, of the shares issued by virtue of this delegation, with the Board of Directors being authorized to take all steps and actions needed for admission to listing with the appropriate bodies of the various domestic or foreign securities markets on which its shares are listed.

The Board of Directors is expressly authorized to in turn delegate to the Executive Commission or the Executive Chairman of the Board of Directors, the powers referred in this resolution, without prejudice to the powers that may be granted to any person for specific acts of execution.

The delegation to increase share capital granted by the shareholders at the General Shareholders' Meeting of the Company held on May 18, 2011 is deprived of effect to the extent of the unused amount.
