

REPORT FROM THE BOARD OF DIRECTORS OF TELEFÓNICA, S.A. ON THE PROPOSED AMENDMENT OF THE REGULATIONS FOR THE GENERAL SHAREHOLDERS' MEETING AND ON THE PROPOSED APPROVAL OF THE CONSOLIDATED TEXT BY THE 2013 ORDINARY GENERAL SHAREHOLDERS' MEETING (ITEM V ON THE AGENDA).

1. PURPOSE OF THE REPORT

The agenda of the Ordinary General Shareholders' Meeting of Telefónica, S.A. (the "**Company**"), called to be held on May 30 and 31, 2013, on the first and second calls respectively, includes in its item V a proposal to amend the Regulations for the General Shareholders' Meeting of the Company and to approve a new revised text.

Article 2.3 of the Regulations for the General Shareholders' Meeting requires the Board of Directors of the Company to prepare a report in writing that justifies the reasons for the proposed amendment to the Regulations for the General Shareholders' Meeting that is to be submitted for approval by the General Shareholders' Meeting.

In compliance with that requirement, the Board of Directors of the Company has prepared this report in order to explain and justify the regulatory amendments proposed, including the full text thereof.

2. JUSTIFICATION OF THE PROPOSAL

2.1. General purpose and systematic approach to the reform of the regulations

The leading position held by the Company in the capital markets requires to continually reflect on its corporate governance rules, as well as to periodically revise them to bring them into line with new legislative developments and the prevailing standards from time to time. This task of continual updating has led, in recent years, to successive amendments of the

Regulations for the General Shareholders' Meeting, which advises now to effect certain technical, terminological and stylistic adjustments.

The amendment that is proposed fundamentally stems from the amendment of the By-laws proposed under item IV on the agenda and, in essence, has a threefold aim:

(i) to introduce certain improvements in the provisions regulating the General Shareholders' Meeting of the Company, in line with best practices;

(ii) to bring the Regulations into line with Act 1/2012, of June 22, 2012, on simplifying reporting and documentation requirements for mergers and spin-offs of capital companies ("**Act 1/2012**"); and

(iii) to revise the Regulations for the General Shareholders' Meeting as a whole in order to systematize and standardize their contents and expression by recasting them in a new set of articles.

For the purposes of voting on the proposed amendments to the Regulations, what is submitted for consideration by the General Shareholders' Meeting under this item on the agenda is a proposal made in relation to the approval of a full text of the Regulations for the General Shareholders' Meeting, and as such it is an indivisible unit. Consequently, in accordance with the provisions of article 21 of the current Regulations for the General Shareholders' Meeting, the proposal will be voted on as a whole.

The proposed amendments are explained and justified below, where they are grouped together, for ease of reference, under three headings corresponding to each of the matters listed.

2.2. Improvements in the provisions regulating the General Shareholders' Meeting (right of representation and distance voting)

In keeping with the amendments of articles 17 (new article 20) and 20 bis (new article 25) of the By-laws, it is proposed to amend articles 12 and 20

bis (the latter becoming article 22) of the Regulations for the General Shareholders' Meeting in order to ensure that the right of representation and distance voting can be exercised henceforth not only through postal delivery or correspondence, but also, and in all cases, through electronic means prior to the General Shareholders' Meeting. At the same time, the Board of Directors is granted the power to implement regulatory provisions relating to proxies and distance voting – an element of flexibility that is deemed essential to be able to attend in the future to any needs stemming from technological developments.

2.3. Legislative update

Act 1/2012 introduces into Chapter II of Title I of the Companies Act the general legal regime for websites as mandatory for listed companies, and in doing so describes its name associating it with the adjective “corporate”.

In keeping with the proposed amendments to articles 16, 17, 18, 18 bis and 20 bis (which become 20, 22, 4 and 25, respectively) of the By-laws, it is proposed to amend articles 3, 8, 9, 10, 11, 13, 17 bis (which will be the new 18), 20 bis (which will become 22) and 27 (which will be the new 29) of the Regulations for the General Shareholders' Meeting in order to update the reference to the website of the Company and to include the description “corporate”.

2.4. Preparation of the consolidated text

1.- Elimination of the Preamble

It is proposed to eliminate the Preamble, which is currently considered unnecessary. In addition, this elimination unifies the structure of this document, on the one hand, and that of the By-laws and the Regulations for the Board of Directors, which do not have an equivalent section.

2.- Amendment of Title I (articles 1, 2 and 3)

The proposed amendments that are grouped under this heading arise from improvements in the wording and from the intention of unifying the terminology used in the Regulations for the General Shareholders' Meeting.

3.- Amendment of Title II (articles 4, 5 and 6)

In keeping with the amendment of article 14 of the By-laws (new article 15), it is proposed to amend article 5 of the Regulations for the General Shareholders' Meeting in order to define with greater precision the powers granted to the General Shareholders' Meeting.

The other amendments seek to improve the wording and unify the terminology used.

4.- Amendment of Title III (articles 7, 8, 9, 10 and 11)

The proposed amendments grouped under this heading seek to polish the wording of the provisions on the notice of call to the meeting and the preparation of the General Shareholders' Meeting, as well as to unify the terminology used in the Regulations for the General Shareholders' Meeting.

5.- Amendment of Title IV (articles 12, 13, 14, 15, 16, 17 and 17 bis)

The proposed amendment of the articles that are grouped under this heading seek to introduce certain improvements in the wording and technical clarifications, and their ultimate aim is to equip the Regulations for the General Shareholders' Meeting with greater technical consistency.

In keeping with the proposed amendment to article 17 of the By-laws (new article 19), in article 12 of the Regulations for the General Shareholders' Meeting it is proposed to improve the provisions regulating the right to attend the General Shareholders' Meeting and, in particular, to clarify the provisions

regulating attendance at the General Shareholders' Meeting of Directors and of other persons such as executives, technicians, experts, etc.

The justification for the amendment proposed in relation to the rules on the right of representation has been explained in section 2.2 above.

Of note is the renumbering of article 17 bis of the Regulations for the General Shareholders' Meeting, which becomes article 18.

6.- Amendment of Title V (articles 18, 19, 20, 20 bis, 21, 22 and 23)

The proposed amendments of the articles included in Title V of the Regulations for the General Shareholders' Meeting seek to improve their contents from a technical standpoint, to simplify their wording and to unify the terminology used, without prejudice to the rules of distance voting the justification of which has been described in section 2.2 above.

Lastly, of note is the renumbering of article 20 bis of the Regulations for the General Shareholders' Meeting, which becomes article 22. Therefore, the current articles 18, 19 and 20 of the Regulations for the General Shareholders' Meeting will be henceforth articles 19, 20 and 21, respectively; and the current articles 21, 22 and 23 of the Regulations for the General Shareholders' Meeting become articles 23, 24 and 25, respectively.

7.- Amendment of Title VI (articles 24 and 25)

The amendments proposed to the articles under this heading are aimed at unifying the terminology used in the Regulations for the General Shareholders' Meeting.

The current articles 24 and 25 of the Regulations for the General Shareholders' Meeting become 26 and 27, respectively.

8.- Amendment of VII (articles 26 and 27)

In the articles grouped under this heading it is proposed to make certain changes to clarify and perfect their wording, as well as to unify their terminology.

In light of the renumbering proposed, the current articles 26 and 27 of the Regulations for the General Shareholders' Meeting become 28 and 29, respectively.

9.- Approval of a revised text of the Regulations for the General Shareholders' Meeting

In light of the amendments approved in recent years, and of those proposed now, it is recommendable to revise the text of the Regulations for the General Shareholders' Meeting, sequentially renumbering the articles into which they are divided.

3. PROPOSED RESOLUTION TO BE SUBMITTED FOR APPROVAL BY THE GENERAL SHAREHOLDERS' MEETING UNDER ITEM V ON THE AGENDA

The resolution that the Board of Directors proposes for approval by the General Shareholders' Meeting in relation to this item on the agenda is as follows:

Article 10. The shareholders' right to receive information.

1. *From the publication of the notice of the call to a General Shareholders' Meeting through the seventh day prior to the date set for the holding thereof upon first call, any shareholder may submit a written request for such information or clarifications as it deems are required, or ask written questions it deems are pertinent, regarding the matters included in the agenda for the notice of call, or regarding information accessible to the public that the Company has provided to the National Securities Market Commission since the holding of the immediately prior General Shareholders' Meeting, or regarding the auditor's report.*

The answers to the questions and to the requests for information shall be channeled through the Secretary of the Board of Directors and provided by any member thereof or by any person expressly authorized by the Board of Directors to that end.

2. *During the course of the General Shareholders' Meeting, the shareholders of the Company may verbally request such information or clarifications as they deem appropriate regarding the matters contained in the agenda, or regarding the information accessible to the public that the Company has provided to the National Securities Market Commission since the holding of*

3. The Board of Directors shall have the duty to provide the information requested in reliance upon the two preceding paragraphs, in the manner and within the time periods established by the law, except in those cases in which (i) it has been requested by holders of less than one-fourth of the share capital and the dissemination thereof may, in the opinion of the Chairman, prejudice the corporate interests; (ii) the request for information or clarifications does not refer to matters included in the agenda or, in the case of sub-section 1 above, to information accessible to the public that has been provided by the Company to the National Securities Market Commission since the holding of the immediately prior General Shareholders' Meeting; (iii) prior to the request for information, such information has been clearly and directly made available to all shareholders in question-and-answer format on the Company's corporate website; (iv) the request for information is deemed abusive for any other reason; or (v) it is so established in legal or regulatory provisions.

Answers to shareholders who attend the General Shareholders' Meeting from a distance by means of data transmission and simultaneously and who exercise their right to receive information through this procedure shall be provided, if applicable, in writing, within seven days following the Meeting.

Article 11. Electronic Shareholders' Forum and suggestions made by the shareholders.

1. Without prejudice to the shareholders' right, in such cases and under such terms as are provided in the law, to have certain matters included in the agenda for the General Shareholders' Meeting that they request be called, the shareholders may at all times and after providing evidence of their status as such, make suggestions through the Shareholders Office regarding the organization and operation of the General Shareholders' Meeting and the powers of the shareholders thereat.

2. On occasion of the call to meeting and until each General Shareholders' Meeting is held, the Company shall place into operation on its corporate website an Electronic Shareholders' Forum, which shall be accessible, with appropriate safeguards, by both individual shareholders and by any voluntary associations they may create as provided by law, in order to facilitate their communication prior to a General Shareholders' Meeting being held. Proposed resolutions sought to be presented as a supplement to the agenda notified in the call to meeting may be published in the Shareholders' Electronic Forum, together with requests for adherence to such proposals, initiatives to reach the percentage sufficient to exercise a minority right provided by law as well as proxy offers or solicitations. The Board of Directors may further develop the above-mentioned

rules and establish the procedures, terms and other conditions for the operation of the Electronic Shareholders' Forum.

**TITLE IV. ORGANIZATION AND ESTABLISHMENT OF A QUORUM FOR
THE GENERAL SHAREHOLDERS' MEETING**

Article 12. Right to attend.

1. The right to attend a General Shareholders' Meeting shall accrue to the holders of at least that number of shares representing a nominal value of 300 euros, provided that such shares are registered in their name in the corresponding book-entry registry five days in advance of the date on which the General Shareholders' Meeting is to be held, and provided also that they present evidence thereof with the appropriate attendance card or share certificate issued by any of the entities participating in the institution that manages such book-entry registry, or directly by the Company itself, or in any other manner permitted under law. Such card or certificate may be used by the shareholders as the document whereby to grant a proxy for the General Shareholders' Meeting in question.

2. Shareholders that hold a lower number of shares may grant a proxy in respect thereof to a shareholder having the right to attend, as well as group together with other shareholders in the same situation until reaching the required number of shares, following which a proxy must be granted to one of such shareholders. The grouping must be carried out specifically for each General Shareholders' Meeting and must be recorded in writing.

3. The Directors must attend the General Shareholders' Meeting, save for a duly justified reason preventing them from doing so. The non-attendance of any of them will not affect the valid constitution of the General Shareholders' Meeting.

4. In addition, the General Shareholders' Meeting may be attended by such executives, technicians, experts and other persons who may, in the opinion of the Chairman of the General Shareholders' Meeting, have a relationship with the Company. The Chairman may also authorize the attendance of such persons as he deems appropriate, including the media, analysts, etc., although the General Shareholders' Meeting may revoke such authorization.

Article 13. Right of representation.

1. Every shareholder having the right to attend the General Shareholders' Meeting may be represented thereat by another person, even if not a shareholder, provided that the requirements and formalities imposed by the law are met. The proxy must be granted specifically for each General Shareholders' Meeting, either by using the proxy form printed on the attendance card or in any other manner permitted by the law, without prejudice to the provisions of the

Companies Act (Ley de Sociedades de Capital) regarding cases of proxies granted to family relatives and general proxies.

The documents setting forth the proxies for the General Shareholders' Meeting shall contain instructions regarding the direction of the vote. Unless otherwise expressly indicated by the shareholder granting the proxy, it shall be understood that the shareholder gives specific instructions to vote in favor of the proposed resolutions put forward by the Board of Directors regarding the matters on the agenda.

If there are no voting instructions because the shareholders acting at the General Shareholders' Meeting are to decide matters that are not included in the agenda and are thus unknown on the date that the proxy is granted but which may be submitted to a vote at the General Shareholders' Meeting, the proxy-holder shall vote in such direction as he deems most appropriate, taking into account the interest of the Company and that of the shareholder granting the proxy. The same rule shall apply when the relevant proposal or proposals submitted to the shareholders at the General Shareholders' Meeting have not been made by the Board of Directors.

If the document setting forth the proxy does not state the specific person or persons to whom the shareholder grants the proxy, such proxy shall be deemed granted in favor of any of the following: the Chairman of the Board of Directors of the Company, or the person that stands in for him as Chairman of the General Shareholders' Meeting, or such person as is appointed by the Board of Directors, with notice of such appointment being given in advance in the notice of the call to meeting. If the Chairman of the Board of Directors of the Company, or the person acting in his stead, or the person appointed by the Board of Directors, as applicable, is affected by any of the conflicts of interest contemplated in the law and the document setting forth the proxy does not contain any specific instructions, the proxy shall be deemed granted to the Secretary for the General Shareholders' Meeting.

A proxy is always revocable. Attendance at the General Shareholders' Meeting by the shareholder granting the proxy, whether in person or through distance voting, entails the revocation of any proxy granted, whatever the date thereof. A proxy shall likewise be rendered void as a result of the disposition of shares of which the Company has notice.

2. Individual shareholders who do not have full legal capacity and corporate shareholders shall be represented by those persons who act as representatives thereof pursuant to law, with evidence of such representative capacity being duly provided.

3. In any event, in cases of voluntary representation as well as those of legal representation, no person may have more than one representative at the General Shareholders' Meeting.

4. The Chairman of the General Shareholders' Meeting or, by delegation of powers, the Secretary of the General Shareholders' Meeting shall resolve all doubts regarding the validity and effectiveness of the documents giving rise to the right of any shareholder to attend the General Shareholders' Meeting, whether individually or by grouping their shares with other shareholders, as well as any proxy granted to any other person, endeavoring to deem only those documents that lack the minimum essential requirements to be invalid or ineffective, provided that such defects have not been remedied.

5. When a proxy is granted by means of long-distance communication, it shall only be deemed valid if it is granted by postal delivery or correspondence or by electronic communication made in accordance with the provisions of this article.

Proxies by postal delivery or correspondence shall be granted by sending or delivering to the Company the duly signed attendance and proxy-granting card or other written instrument that, in the opinion of the Board of Directors expressed in a resolution adopted for such purpose, allows for due verification of the identity of the shareholder granting the proxy and that of the proxy-holder designated therein.

Proxies by electronic communication to the Company shall be granted under an electronic signature or by such other manner as the Board of Directors may deem appropriate to ensure the authenticity and identification of the shareholder that exercises his right, attaching thereto a copy in electronic format of the attendance and proxy-granting card and detailing in the communication the proxy granted and the identify of the shareholder granting the proxy.

In order to be valid, a proxy granted by either of the aforementioned means of long-distance communication must be received by the Company before midnight on the third day prior to the date set for the holding of the General Shareholders' Meeting upon first call. In the resolution for the call of the General Shareholders' Meeting in question, the Board of Directors may reduce this required deadline, disclosing it in the same manner as the call notice. The Board of Directors may also implement the above provisions relating to proxies granted by long-distance means of communication in accordance with the provisions of Article 25.5 of the By-laws and Article 22.7 of these Regulations.

6. A proxy may include items that, even if not contained in the agenda, may be dealt with by the shareholders at the General Shareholders' Meeting because it is so permitted by law.

7. The Board of Directors may implement the above provisions relating to the grant of proxies through long-distance means of communication, in accordance with the provisions of Article 22.7 below.

Article 14. Organization of the General Shareholders' Meeting.

1. The General Shareholders' Meeting shall be held at the place set forth in the notice of the call to meeting, within the area where the Company has its registered office, on the date and at the time also set forth in such notice. However, when the Board of Directors deems it appropriate in order to facilitate the conduct of the meeting, it may resolve that the General Shareholders' Meeting be held in any other place within Spain by so providing in the call to meeting.

2. In order to ensure the proper exercise of the right to attend the General Shareholders' Meeting, as well as to guarantee the safety of those attending and the orderly conduct of the Meeting, such access control systems and surveillance and protection measures shall be established as the Board of Directors deems appropriate.

3. Sessions of the General Shareholders' Meeting may be held in one room or in several adjoining rooms, or in rooms which are not adjoining to one another but are located in the same building complex or on the same premises, as long as the Board of Directors deems it justified to proceed in this way. In such case, audiovisual means shall be provided to allow for real-time interactivity and intercommunication among the rooms.

4. In order to foster the widest dissemination of the proceedings of the General Shareholders' Meeting and of the resolutions adopted thereat, access to the place where the General Shareholders' Meeting is held may be granted to media representatives as well as to financial analysts and other duly accredited experts. To this same end, the Chairman of the General Shareholders' Meeting may direct that all or part of the proceedings of the General Shareholders' Meeting be broadcast or recorded by audio-visual means.

5. Upon entering the premises where the General Shareholders' Meeting is to be held, the attendees shall be provided with the full text of the proposed resolutions to be submitted for approval by the shareholders at the Meeting, except for proposals that cannot be delivered to the attendees because they have been adopted immediately prior to the General Shareholders' Meeting. The shareholders shall be informed of such proposals during the course of the General Shareholders' Meeting and, in all cases, before the shareholders' turn to speak.

6. No photography, video, recording or similar devices may be used in the room or rooms where the General Shareholders' Meeting is held, except to the extent allowed by the Chairman. Control mechanisms may be set up at the place of access to the room or rooms in order to ensure compliance with this provision.

Article 15. Preparation of the attendance roll.

1. In order to prepare the attendance roll, the admission of proxies shall start sufficiently in advance of the date set in the notice of the call to the General Shareholders' Meeting, such that the shareholders, or those who validly represent them, may deliver or send their respective proxies to the Company's registered office as well as, if appropriate, the documents that evidence proxy representation, all without prejudice to any appropriate control at the place and on the date established for the holding of the General Shareholders' Meeting.

2. In addition, at the place and on the date established for the General Shareholders' Meeting to be held and from the moment when access is granted to the place where the Meeting is to be held, the shareholders attending the Meeting in person or such persons as validly represent them thereat shall deliver their respective attendance cards and proxies to the staff in charge of shareholder registration, by producing evidence of their identity and, if appropriate, of their representative capacity and the grouping of shares.

3. Registration of shareholders present at the General Shareholders' Meeting in person and by proxy may be carried out manually or by using mechanical means. In this last-mentioned case, optical reading systems or any other means that are considered appropriate may be used.

4. In order for the General Shareholders' Meeting to begin at the time set forth in the notice of call, the attendance card and proxy registration process shall end minutes before the time at which the General Shareholders' Meeting is scheduled to commence; once such process has concluded and the existence of sufficient quorum to validly constitute the Meeting upon first or second call, as the case may be, has been verified, the Presiding Committee of the General Shareholders' Meeting shall be formed, whereupon the Meeting will commence.

5. Once the General Shareholders' Meeting is validly constituted, and in order to complete the preparation of the attendance roll, any attendance cards or proxies submitted after the establishment of a quorum at the General Shareholders' Meeting and the commencement thereof must be admitted, as long as they are submitted before the shareholders' turn to speak begin.

Shareholders who have provided evidence of their status as such or any representatives thereof who have not submitted their attendance cards before the turn to speak begins may attend the Meeting, but will not be included in the attendance roll and will thus not be considered to be in attendance at the General Shareholders' Meeting.

6. *The preparation of the attendance roll and the resolution of issues arising in connection therewith shall be the purview of the Secretary for the General Shareholders' Meeting.*

At the end of the attendance roll, there shall be a determination of the number of shareholders present in person – separately including those who voted from a distance – or by proxy, as well as of the amount of capital they own, specifying the capital held by shareholders with the right to vote.

7. *The attendance roll shall be stored in an electronic medium, which shall be kept in an envelope or sealed container, the cover of which shall set forth the relevant identification proceedings signed by the Secretary for the General Shareholders' Meeting with the approval of the Chairman thereof. The Minutes of the General Shareholders' Meeting shall record the inclusion of the attendance roll in a computer medium.*

Article 16. Establishment of a quorum for the General Shareholders' Meeting.

1. *An Ordinary or Extraordinary General Shareholders' Meeting shall be held upon first or second call. Such quorum as is established in the law and the By-Laws shall be required for the General Shareholders' Meeting to be validly held.*

In the event that, pursuant to the provisions of the law or the By-Laws, a minimum percentage of the share capital is required to be in attendance for a quorum to be validly established at an Ordinary or Extraordinary General Shareholders' Meeting or to validly adopt certain resolutions, and such attendance requirements cannot be met upon second call according to the attendance roll, the agenda for the General Shareholders' Meeting shall be limited to such items thereon as do not require such specific minimum capital in attendance for the establishment of a valid quorum at the General Shareholders' Meeting or for the adoption of resolutions.

2. *Shareholder absences occurring once a quorum has been established at the General Shareholders' Meeting shall not affect the validity thereof.*

Article 17. Presiding Committee of the General Shareholders' Meeting. Chairman of and Secretary for the General Shareholders' Meeting.

1. *The Presiding Committee of the General Shareholders' Meeting shall be composed of the Chairman of and the Secretary for the General Shareholders' Meeting, and by the members of the Board of Directors who attend the meeting.*

2. *The General Shareholders' Meeting shall be chaired by the Chairman of the Board of Directors or, in the absence thereof, by a Vice Chairman of the Board of Directors, in such order as is applicable in the event that there are*

several of them; in the event of vacancy, absence or sickness, they shall be replaced by the longest-serving Director, and in case of equal length of service, by the oldest. The Secretary of the Board of Directors or, in the absence thereof, a Deputy Secretary, in such order as is applicable in the event that there are several of them, shall act as Secretary, and, failing that, the Director with the least amount of time in office, and in case of equal length of service, by the youngest.

In the event that, once the General Shareholders' Meeting has commenced, the Chairman or Secretary has to leave for any reason, his duties shall be assumed by the appropriate persons pursuant to the provisions of the preceding paragraph, and the proceedings of the General Shareholders' Meeting shall continue.

3. The Chairman of the General Shareholders' Meeting may, even while present at the meeting and when any circumstance arises due to which he considers it advisable, temporarily entrust the conduct of the debate to any member of the Board of Directors he deems fit or to the Secretary for the General Shareholders' Meeting, who shall perform such duty on behalf of the Chairman.

4. The Chairman may have any expert he deems appropriate attend the Meeting in order to assist him.

Article 18. Remote attendance by electronic or data transmission means.

1. Pursuant to the provisions of Article 21 of the By-Laws, and independently of the right of the shareholders to vote from a distance as provided in Article 22 of these Regulations, shareholders with the right to attend the General Shareholders' Meeting held at the place indicated in the notice of the call to meeting may exercise such right by electronic or data transmission means of long-distance communication when it has so been resolved by the Board of Directors after taking into account the current techniques and verifying the appropriate conditions for security and unambiguousness. In the notice of the call to meeting, the Board of Directors shall set forth the means that may be used for the aforementioned purposes in view of the fact that they meet the conditions for security required to permit identification of the shareholders, the proper exercise of their rights and the appropriate progress of the Meeting.

2. In the event that the Board of Directors resolves to permit remote attendance at the General Shareholders' Meeting, the notice of the call to meeting shall set forth such periods, form and manner for the exercise of shareholders' rights as shall have been established by the Board of Directors in furtherance of the proper conduct of the General Shareholders' Meeting.

3. Remote attendance of the shareholders at the General Shareholders' Meeting by electronic or data transmission means shall be subject to the

following provisions, which may be implemented and supplemented by the Board of Directors:

- a) *The connection to the system in order to follow the General Shareholders' Meeting shall be established as much in advance of the time set for the commencement of the Meeting as is indicated in the notice of call. Shareholders who start the connection after the time established as a deadline for such purpose shall not be deemed present.*
- b) *Shareholders who wish to attend the General Shareholders' Meeting and exercise their rights shall identify themselves by means of a recognized electronic signature or other type of identification, subject to the requirements that the Board of Directors establishes in the resolution adopted for such purpose, providing for adequate guarantees of authenticity and identification of the shareholder in question. The right to vote and to receive information shall be exercised by electronic means of long-distance communication that are deemed suitable pursuant to the provisions of these Regulations.*
- c) *Proposals regarding matters included in the agenda may be voted from the moment that the Chairman of the General Shareholders' Meeting declares that a valid quorum has been established and makes a statement to that end, and through the time indicated by the Chairman for such purpose. On the other hand, proposals regarding matters not included in the agenda shall be voted during such time period as is indicated by the Chairman, once the proposal has been formulated and it is considered that it must be submitted to a vote.*
- d) *Shareholders attending from a distance pursuant to this article may exercise their right to receive information by asking such questions or requesting such clarifications as they deem fit, so long as they refer to matters included in the agenda. The Board of Directors may establish in the notice of the call to meeting that any presentations and proposed resolutions that those attending by means of data transmission may wish to make pursuant to the Law must be sent to the Company prior to the establishment of a quorum at the General Shareholders' Meeting. Answers to shareholders attending the General Shareholders' Meeting in this manner and who exercise their right to receive information during the course of the Meeting shall be provided in writing, if applicable, within seven days following the holding of the General Shareholders' Meeting.*
- e) *The inclusion in the attendance roll of shareholders attending from a distance shall be in accordance with the provisions set forth in these Regulations.*
- f) *The Presiding Committee of the General Shareholders' Meeting, and the Notary, if applicable, shall have direct access to the connection systems by means of which the General Shareholders' Meeting may be attended, such that they have personal and immediate knowledge of the communications and statements made by the shareholders attending from a distance.*

- g) *The interruption of communication, due to technical circumstances or security reasons deriving from supervening events, may not be invoked as an unlawful deprivation of a shareholder's rights or as grounds for challenging the resolutions adopted at the General Shareholders' Meeting in question.*

4. The Board of Directors may establish and update the means and procedures in accordance with the state of the art in technical matters in order to organize the remote attendance at the General Shareholders' Meeting and electronic voting from a distance during the course thereof, for which purpose it shall comply with the legal provisions governing such system and the provisions set forth in the By-Laws and in these Regulations. Such means and procedures shall be published on the Company's corporate website.

TITLE V. CONDUCT OF THE GENERAL SHAREHOLDERS' MEETING

Article 19. Commencement of the Meeting.

1. After the existence of sufficient quorum for the valid constitution of the General Shareholders' Meeting has been verified, and once the Presiding Committee of the General Shareholders' Meeting has been formed, the Meeting shall commence. The Chairman of the General Shareholders' Meeting, or by delegation of powers, the Secretary for the General Shareholders' Meeting, shall announce the provisional data regarding the number of shareholders with voting rights who are then present at the Meeting in person or by proxy, the number of shares owned by such shareholders present in person or by proxy, and the percentage of capital they represent.

Taking the aforementioned data into account, the Chairman of the General Shareholders' Meeting shall thereafter declare a valid quorum to have been established at the General Shareholders' Meeting upon first or second call, as the case may be, and shall subsequently yield the floor to the Notary, if his presence has been requested, in order for him to ask the attendees whether they have any reservations or objections concerning the data previously announced and the establishment of a valid quorum at the General Shareholders' Meeting, such that any such reservations or objections may be duly recorded in the Minutes thereof.

2. If the presence of a Notary has not been requested, all references to a Notary in the preceding sub-section shall be understood to be made to the Secretary for the General Shareholders' Meeting.

Article 20. Use of the floor.

1. Once the meeting has commenced, the Chairman of the General Shareholders' Meeting shall invite the shareholders who wish to speak at the General Shareholders' Meeting in order to request information or to make any

other statement in connection with the items on the agenda to make this known, after stating, by means of their attendance card or the appropriate certificate, their identity and the number of shares they own or represent, as applicable.

2. Once the Presiding Committee of the General Shareholders' Meeting has the list of shareholders who wish to speak, and after the presentation of the relevant reports by the Chairman of the General Shareholders' Meeting or by such persons as he may appoint for this purpose, and in any event before voting on the matters included in the agenda, the Chairman of the General Shareholders' Meeting shall grant the floor to the shareholders. The shareholders shall speak in the order in which they are called by the Presiding Committee.

If they so wish, those using the floor may request that the full written text of their presentation be included in the Minutes of the General Shareholders' Meeting, to which end they must thereupon deliver it to the Notary taking the minutes of the meeting or, in the absence thereof, to the Secretary for the General Shareholders' Meeting or staff members assisting one or the other.

3. The Chairman of the General Shareholders' Meeting shall be responsible, under the terms set forth in the law, for providing the information or clarifications requested, provided, however, that he may, when he sees fit in view of the matter to which such information or clarifications refer, entrust such duty to the Chairman of any of the Committees of the Board of Directors, to a member of the Presiding Committee of the General Shareholders' Meeting, or to any senior executive officer, employee, expert or advisor to the Company. The Chairman of the General Shareholders' Meeting may determine in each case, according to the information or clarifications requested, whether the answer will be given individually or as a collective response by subject, taking into account the provisions of Article 10 of these Regulations.

Article 21. Powers of the Chairman in connection with the conduct and orderly progress of the General Shareholders' Meeting.

1. The Chairman of the General Shareholders' Meeting has the power to preside over and conduct the proceedings at the General Shareholders' Meeting, and must direct and maintain the debate within the limits of the agenda and bring such debate to an end when he considers each matter to have been sufficiently discussed.

2. In the performance of his duties to preside over and ensure the orderly conduct of the General Shareholders' Meeting, the Chairman of the General Shareholders' Meeting, assisted by the Secretary for the General Shareholders' Meeting, shall have the following powers, among others:

- a) To organize the shareholders' participation in their use of the floor pursuant to the provisions of these Regulations.*

- b) *To grant the floor, at the time he deems fit, to the shareholders who request it, with the power to take the floor away when he deems that a matter has been sufficiently debated, or that the progress of the meeting is being hindered, or that the matter in question is not included in the agenda.*
- c) *To resolve to extend the time initially available for the shareholders to speak, when he deems it necessary or when the large number of requests for participation or any other circumstance makes it advisable, and to set the maximum length of each presentation or establish time limits for shareholders to speak when he considers a matter to have been sufficiently debated, respecting, in all cases, the principle of equal treatment of the shareholders using the floor.*
- d) *To act as a moderator of shareholder participations, with the power to require them to clarify matters that have not been sufficiently explained, or not to depart from the matters on the agenda and to act with suitable decorum in their participation, reprimanding shareholders when their participation is manifestly obstructionist or aimed at hindering the normal progress of the General Shareholders' Meeting, and also with the power to take any appropriate measures to ensure that the General Shareholders' Meeting proceeds in an orderly fashion.*
- e) *To announce the results of the voting, either personally or through the Secretary for the General Shareholders' Meeting.*
- f) *To resolve any issues that may arise during the proceedings of the General Shareholders' Meeting in connection with the interpretation and application of the rules established in these Regulations.*
- g) *In general, to exercise all powers, including those of order and discipline, which are required to properly hold the meeting.*

Article 22. Casting of votes from a distance prior to the General Shareholders' Meeting.

1. Without prejudice to the provisions of Article 18 of these Regulations, and therefore, independently of the right to attend by electronic means, shareholders with the right to attend may cast their vote on the proposals relating to the items included in the Agenda for any General Shareholders' Meeting by means of postal delivery or correspondence or electronic communication.

2. Votes by postal delivery or correspondence shall be cast by sending or delivering to the Company a document recording the vote accompanied by the duly signed attendance card issued by the entity in charge of keeping the register of book entries.

3. Votes communicated electronically to the Company shall be cast under an electronic signature or in such other manner as the Board of Directors may deem appropriate to ensure the authenticity and the identification of the shareholder exercising his right, attaching thereto a copy in electronic format of the duly completed attendance card and vote.

4. In order to be valid, votes cast by any of the means of long-distance communication mentioned in the preceding subarticles must be received by the Company before midnight on the third day prior to the date set for the holding of the General Shareholders' Meeting upon first call. In the resolution to call the General Shareholders' Meeting in question, the Board of Directors may reduce this required deadline, disclosing it in the same manner as the call notice

5. Shareholders who cast their vote from a distance pursuant to this article and to the provisions made by the Board of Directors by way of further development thereof shall be deemed present for purposes of determining the establishment of a quorum for the General Shareholders' Meeting in question. Therefore, proxies granted prior to the casting of such vote shall be deemed revoked, and those granted thereafter shall be deemed not to have been given.

6. The vote cast by means of long-distance communication shall be rendered void by the attendance in person at the meeting of the shareholder casting the vote or by the disposition of shares of which the Company has notice.

7. The Board of Directors is authorized to implement and supplement the regulations on voting and granting of proxies by long-distance means of communication provided for in these Regulations, establishing the instructions, means, rules and procedures it deems appropriate to instrument the casting of votes and the grant of proxies by long-distance means of communication.

In any event, the Board of Directors will adopt the necessary measures to avoid possible duplications and to ensure that the person who has cast the vote or granted the proxy by means of postal or electronic correspondence has the proper standing to do so in accordance with the provisions of Article 19.1 of the By-laws. The implementing rules adopted by the board of Directors pursuant to the provisions of this subarticle shall be published on the corporate website.

Article 23. Voting on the proposed resolutions.

1. Once shareholders' presentations, if any, have concluded and answers have been provided as set forth in these Regulations, the corresponding proposed resolutions shall be put to the vote.

Each of the proposed resolutions shall be voted by following the agenda included in the notice of the call to meeting, and if proposals have been made

regarding matters which the shareholders may decide without such matters being included in the agenda, they shall be submitted to a vote after a vote is taken on the proposals included in the agenda, unless the Chairman of the General Shareholders' Meeting decides otherwise.

2. After the Secretary for the General Shareholders' Meeting has read the full text or a summary of the proposed resolution corresponding to an item on the agenda, which reading may be dispensed with when the text of such proposal has been distributed to the shareholders at the beginning of the General Shareholders' Meeting, a vote shall first be taken on the resolutions proposed in each case by the Board of Directors, and then, if appropriate, the proposals made by other parties shall be submitted to a vote, following the order established by the Chairman of the General Shareholders' Meeting for that purpose.

When a single item on the agenda includes different matters, such matters shall be separately submitted to a vote. In particular, a separate vote shall be taken on the appointment of each Director and, in the event of amendments to the By-Laws or these Regulations, on each article or group of articles that are materially independent. In exceptional cases, related proposals, which are formulated as an indivisible unit, shall be voted as a whole, such as those relating to the approval of the revised text of the By-Laws or of the Regulations for the General Shareholders' Meeting.

In all cases, when a proposed resolution is approved, all other proposals on the same matter that are incompatible therewith shall automatically be deemed withdrawn and shall therefore not be submitted to a vote, which shall be stated by the Chairman of the General Shareholders' Meeting, or by the Secretary for the of the General Shareholders' Meeting, acting by delegation of powers.

3. The following voting calculation system shall be used for purposes of voting on the proposed resolutions:

- a) In the case of voting on proposed resolutions relating to matters on the agenda, votes in favor of the proposal submitted to a vote shall be deemed to be those corresponding to all shares present or represented at the Meeting, according to the attendance roll, less the votes corresponding to shares whose holders or representatives inform the Presiding Committee of the General Shareholders' Meeting, or to the Notary, if appropriate, by written communication or personal statement, that they vote against, in blank or abstain.*
- b) In the case of voting on proposed resolutions relating to matters that are not included in the agenda, votes against the proposal submitted to a vote shall be deemed to be those corresponding to all shares present or represented at the Meeting, according to the attendance roll, less the votes corresponding to shares whose holders or representatives inform the Presiding Committee of the General Shareholders' Meeting, or to the Notary, if appropriate, by written*

communication or personal statement, that they vote in favor, in blank or abstain.

- c) *For purposes of the provisions of paragraphs a) and b) above, for each of the proposed resolutions submitted to a vote, it shall be deemed that shares present and represented at the meeting are all those recorded on the attendance roll, less the shares whose holders may not, pursuant to the law and depending upon the proposed resolution that is put to the vote, exercise the voting rights attaching to their shares.*

Regardless of the system used to calculate the votes, verification by the Presiding Committee of the Meeting – or, exceptionally, in the event that such Presiding Committee of the General Shareholders' Meeting has not been formed, by the Secretary for the General Shareholders' Meeting – of the existence of a number of favorable votes sufficient to attain the majority required in each case, will allow the Chairman of the General Shareholders' Meeting to declare the relevant proposed resolution to have been approved.

Article 24. Adoption of resolutions and announcement of voting results.

1. Resolutions shall be adopted by majority, i.e., proposed resolutions shall be approved when the number of votes in favor of each proposal is greater than the number of votes against it (whatever the number of blank votes and abstentions), without prejudice to the qualified majorities established in the law and in the By-Laws or to the limitation upon the maximum number of votes that may be cast by each shareholder as provided in Article 26 of the By-Laws.

2. Once the proposals have been voted as provided in these Regulations, the Chairman of the General Shareholders' Meeting shall announce, either personally or through the Secretary for the General Shareholders' Meeting, the voting results, stating whether each of the proposals has been approved or rejected.

Article 25. Closure of the General Shareholders' Meeting.

Once the voting on the proposed resolutions has been completed and the approval or rejection thereof has been announced, the General Shareholders' Meeting shall end and the Chairman thereof shall adjourn the meeting.

**TITLE VI. CONTINUATION AND SUSPENSION OF THE GENERAL
SHAREHOLDERS' MEETING**

Article 26. Continuation.

At the proposal of the Chairman of the General Shareholders' Meeting, or at the request of shareholders representing at least one-fourth of the share

capital present or represented at the meeting, the General Shareholders' Meeting may resolve upon a continuation of the sessions over one or more consecutive days. In the event that, due to organizational reasons, the venue for the subsequent sessions must be other than that where the first session was held, such venue shall be designated, if possible, when the continuation is decided; otherwise, it shall be notified as soon as it is designated, by an appropriate means of information that shall be established in the resolution providing for the continuation.

Regardless of the number of sessions, the General Shareholders' Meeting shall be deemed to be a single meeting, and a single set of Minutes shall be taken for all of the sessions. Accordingly, there shall be no need to repeat compliance with the provisions of the law, the By-Laws or these Regulations in subsequent sessions for them to be validly held.

Only shareholders included in the attendance roll shall be entitled to attend and vote at the successive sessions held due to the continuation of the General Shareholders' Meeting. The shares held by shareholders included in such attendance roll who leave during the course of the subsequent sessions shall not be deducted and shall continue to be computed for the purpose of calculating the majority required to adopt resolutions. However, any shareholder who intends to be absent from the subsequent sessions may, if he deems it appropriate, inform the Presiding Committee of the General Shareholders' Meeting, or the Notary Public, if applicable, of his intention so to act and of the direction of his vote on the proposals included in the agenda.

Article 27. Suspension.

1. In exceptional cases, when situations occur which materially hinder the orderly conduct of the meeting or which temporarily prevent the normal progress thereof, the Chairman of the General Shareholders' Meeting may, after consulting with the Presiding Committee of the General Shareholders' Meeting, resolve to suspend the session for the time required to re-establish the conditions required for continuation.

In this case, the Chairman of the General Shareholders' Meeting may, also after consulting with the Presiding Committee of the General Shareholders' Meeting, adopt such measures as are deemed appropriate to avoid the repetition of circumstances that might again affect the orderly conduct and progress of the meeting.

2. If, once the session reconvenes, the circumstances that gave rise to the suspension persist, the Chairman of the General Shareholders' Meeting may, after consulting with the Presiding Committee of the General Shareholders' Meeting, propose that the attendees continue the General Shareholders' Meeting on the following day, as set forth in the preceding article.

In the event that the continuation is not approved, or it is not possible to agree thereto for any reason, the Chairman of the General Shareholders' Meeting may, after consulting with the Presiding Committee of the General Shareholders' Meeting, decide to adjourn or continue the General Shareholders' Meeting, whereupon he shall submit for approval by the shareholders the resolutions on the agenda that have theretofore been proposed by the Board of Directors or by the shareholders, provided that the each and every one of the following requirements are met:

- a) That every shareholder has had the chance to exercise his right to receive information since the call to General Shareholders' Meeting and the company has provided the appropriate information and documentation in compliance with the applicable legal and by-law provisions.*
- b) That the approval of all or any of the proposals regarding matters on the agenda is of particular significance to the corporate interest, or that material prejudice may be caused as a result of the adjournment of the General Shareholders' Meeting.*
- c) That it may reasonably be presumed that the situation that caused the suspension of the General Shareholders' Meeting would occur again upon the meeting being reconvened.*

When, in accordance with the provisions of this sub-section, a vote is directly taken on the proposed resolutions, the shareholders present may submit a request to the Presiding Committee of the General Shareholders' Meeting, or to the Notary, if applicable, or in writing to the Board of Directors, for all information they deem appropriate regarding the matters on the agenda for the General Shareholders' Meeting, and the Board of Directors shall respond to such requests in writing within seven days of the close of the General Shareholders' Meeting, without prejudice to the limitations established in Article 10.3 of these Regulations.

TITLE VII. MINUTES OF THE GENERAL SHAREHOLDERS' MEETING AND PUBLICATION OF THE RESOLUTIONS ADOPTED THEREAT

Article 28. Minutes of the General Shareholders' Meeting.

1. The deliberations and resolutions adopted by the shareholders at the General Shareholders' Meeting shall be recorded in the Minutes, which shall contain at least all the information required by the law.

2. The Minutes of the General Shareholders' Meeting may be prepared by the Secretary for such Meeting and must be approved by the shareholders after the holding of the Meeting, failing which, they must be approved within fifteen days by the Chairman of the General Shareholders' Meeting and two Inspectors, one on behalf of the majority and the other for the minority,

appointed by the shareholders at the General Shareholders' Meeting at the proposal of the Chairman thereof. The Minutes approved in either way shall have binding force as from the date of approval. Once the Minutes have been approved, they shall be signed by the Secretary for the General Shareholders' Meeting with the approval of the Chairman and transcribed in the Minute Book.

3. The Board of Directors may request the presence of a Notary of their choice to take the Minutes of the General Shareholders' Meeting, and shall be required to do so when so established in the law.

The Notarial Record shall be deemed to be the Minutes of the General Shareholders' Meeting and will not be subject to the formality of approval and will be enforceable as from the date on which the Minutes are closed.

Article 29. Publication of resolutions.

1. Regardless of such other publication measures as may be legally required in each case, the resolutions approved at the General Shareholders' Meeting and the result of the votes shall be published in full on the Company's corporate website within five days following the close of the Meeting.

2. Recordable resolutions shall be filed for registration with the Commercial Registry and shall be published in accordance with the law.

3. The Company shall report the resolutions adopted at the General Shareholders' Meeting to the National Securities Market Commission and to all appropriate Market Supervisory Authorities, either in full-text form or by means of a summary of the contents of such resolutions, as soon as possible after the close of the General Shareholders' Meeting."
